Juniper Institute for Young Writers Scholarship Application

The Institute for Young Writers offers several full and 50% work-study scholarships awarded on the basis of merit and need.* Scholarships applicants should be able and willing to carry out daily administrative and logistical support tasks.

To be considered for a scholarship, please complete this form and return it along with your personal statement (see below) and general application materials. Scholarship applications must be postmarked by April 10, 2006.

Name

Address

Phone Email

Personal Statement:
Please attach a statement of no more than 300 words (1 page) describing your interest in the Juniper Summer Writing Institute and your current financial situation. Explain how receiving a scholarship would help further your creative and/or professional goals.

*Scholarship awards are contingent upon program size.
