To all undeclared students who entered UMass prior to Fall 2015,

I hope this email finds you enjoying your summer and preparing to return for a successful semester. I am writing to inform you about some essential information for returning undeclared students.

1. Undergraduate Advising (UA) in 613 Goodell Building will continue to serve undeclared students who entered UMass prior to Fall 2015.

2. You, as a returning undeclared student, are expected to identify and declare a major by the end of spring 2016 semester.

3. UA has a plan in place to assist you:
   - My staff and I will notify you about informational meetings that will be available to answer your questions.
   - Throughout the semester UA will offer:
     - Advising services with experienced graduate students and peer advisors.
     - Meetings with representatives from schools and colleges.
     - Various events intended to help you determine a major.

It is crucial to stay up to date with this important information. Be sure to check your email on a regular basis. Also, visit our updated website umass.edu/advising starting in September.

See you soon,

Dr. Pamela Marsh Williams
