Authorization for Release of Academic Information

In accordance with the federal Family Educational Rights and Privacy Act of 1974, all information regarding a student's academic record is considered private between the student and the university and requires a written release for discussion of this information with a third party.

Even parents or guardians cannot obtain information about your academic performance from the University, because University officials may not legally release such information.

For a variety of reasons, you may wish to partially waive this protection and permit release of some types of information to certain people. Other offices on campus may also require a separate release form.

*Please complete form in ink and print legibly (must be completed by the student).
