Dear student,

As we have stated in previous email messages, the University is requiring all remaining undeclared students to declare a major this semester. An advising hold has been placed on your Spire account. You will not be able to add classes for next fall semester until this hold has been lifted. You must contact the major department in which you will declare, to be signed into this major. If you think that you are, for some reason, unable to declare a major now or want to discuss your plans, advisors are available to meet with you. Note that even students who are pursuing a restricted major will need to declare an open major now, while awaiting a decision, to register for the fall and stay on track for graduation.

Call 413-545-2191 or stop by 613 Goodell (9 AM-5 PM) to set up an appointment. Registration begins April 4, and our office will be very busy during this time, so it is in your best interest to call and make an appointment as soon as possible.

Sincerely,

Dean Pamela R. Marsh-Williams
