## PS Fin8.9 System Requirements

Listed below are the minimum desktop operating systems(OS), web browsers and hardware configurations that will be supported for e\*mpac Financials Version 8.9. The "Recommended Minimum" is the standard below which performance cannot be guaranteed. The minimums will be supported and will function, but they will not necessarily perform at speeds that meet end users satisfaction. Also, any stable (non-beta) software or hardware platforms that exceed the recommended specifications will be supported.

### For Windows:

#### **Recommended Minimum:**

**Hardware:** Pentium 800 MHz, 256 MB RAM

**OS:** Windows 2000 or XP

**Browser:** IE 7, IE 6, Firefox 2, Netscape 7.1.

#### **Minimum Configuration:**

**Hardware:** 233 MHz, 128 MB RAM

**OS:** Windows 98

**Browser:** Netscape 4.7x; IE 5

### For Macs:

#### **Recommended Minimum:**

**Hardware:**500 MHz, 256 MB RAM

**OS:** OS X

**Browser:** Netscape 7.1, Firefox 2, Safari. (IE not recommended)

#### **Minimum Configuration:**

**Hardware:** 233 MHz, 128 MB RAM

**OS:** OS 8.6

**Browser:** Netscape 4.7x; IE 5
