

## **Directions to: [Water Quality and Recirculating Aquaculture Systems](#)**

**Saturday June 27 9 am to 3 pm**

**302 Agricultural Engineering Building  
250 Natural Resources Road  
University of Massachusetts, Amherst**

### **DIRECTIONS**

There are many directions from which to approach UMass, and the Agricultural Engineering Building is kind of tucked away. Below are a few methods. They may not be the fastest, but they are the simplest. If you are coming from a different direction, find the Mullins Center (200 Commonwealth Ave) a major landmark on campus.

#### **From 91 N**

- ~ Exit 19 – take a right on Route 9E, through Hadley
- ~ Left onto Route 116 N.
- ~ First exit (UMass) - Turn right toward campus
- ~ First light – turn left onto Commonwealth Ave
- ~ Go through the traffic light in front of the Mullins Center
- ~ At the next light turn right
- ~ At the intersection, turn right (SOUTH) drive past HOLDSWORTH HALL
- ~ Turn right and park in lot in front of Holdsworth.
- ~ Walk SOUTH to the building next to Holdsworth – the Agricultural Engineering Bldg
- ~ Enter in the MIDDLE of the building and go upstairs to Room 302.

#### **From 91 S**

- ~ Exit 24 – Turn left on 116 S. At the light turn right to follow 116 S.
- ~ Pass the Candle Factory. At the next light turn left to follow 116 S
- ~ Drive through Sunderland
- ~ Take the UMass Exit and turn left toward campus
- ~ First light – turn left onto Commonwealth Ave
- ~ Go through the traffic light in front of the Mullins Center
- ~ At the next light turn right
- ~ At the intersection, turn right (SOUTH) drive past HOLDSWORTH HALL
- ~ Turn right and park in lot in front of Holdsworth.
- ~ Walk SOUTH to the building next to Holdsworth – the Agricultural Engineering Bldg
- ~ Enter in the MIDDLE of the building and go upstairs to Room 302.

#### **From Route 2**

- ~ Exit at Millers Falls – Route 63S
- ~ Continue through Millers Falls – watch for left turn South on 63
- ~ About 12 miles to North Amherst – left at stop sign and through traffic light (North Pleasant St.)
- ~ 1.1 mile – Traffic light – turn right onto Governors Way.
- ~ Down the hill and around the corner. At the light, turn left
- ~ At the intersection, turn right (SOUTH) drive past HOLDSWORTH HALL
- ~ Turn right and park in lot in front of Holdsworth.
- ~ Walk SOUTH to the building next to Holdsworth – the Agricultural Engineering Bldg
- ~ Enter in the MIDDLE of the building and go upstairs to Room 302.
