## OLD BUSINESS

### **Fundraising:**

In my committee meeting we talked about clicks4cash thing, and now there is a sign-up sheet going around for those of you who live off campus. Only sign up one person per household. There is also an email going out to alumni to sign up.

### **Service:**

The drum majors bought a shelf for the color guard, and the chapter reimbursed them for it, so that project is done! Spirit week was great, the clarinets won but the trombones were very close! The clarinets will be getting a pizza party and the trombones will also be getting something special. In Allentown, sisters passed out crops, so we did our part for Project: Protect Music. There is now a service hour list going around, so sign up for something. There is also service night list going around, please sign up for three. Next committee meeting we'll discuss making treats for the band for multibands and Halloween. We have a tentative faculty meet & greet on Thursday at 8 a.m., I have a meeting with Dr. Cox tomorrow, so keep your eyes out for more information.

### **Membership:**

Welcome and congrats to the MCs, I hope brothers didn't scare you. If you have a committee meeting, send attendance to Danni within a week.

### **Correspondence:**

We went to Maine and it was amazing. They are interested in visiting us now! We also might be planning something with our alumni for homecoming, but we don't know if we can yet.

**History:**

History day got moved to the 27<sup>th</sup> of October. I got in touch with Kirsten Becker, and she is happy to come give tours of chapel.

**Receptions:**

Haven't heard back from food waiver for this weekend, so sign up for another one just in case. MCs sign up for two receptions.

**NEW BUSINESS**

**Fundraising:**

We'll be having a lollipop sale on the 24<sup>th</sup> during the day in the campus center. We will be sending out an email for more information. On October 9<sup>th</sup> there will be a constitutional meeting with Eleni and I to discuss how to disperse funds. If anyone knows of any social events that involve cans with deposits, let me know.

**Membership:**

For sister quizzes, we will be getting two quizzes all semester. Each will be on half of the mc packet. Make sure you look over the packet and you know everything.

**Service:**

There will be a committee meeting this Thursday at 6:45 at the bluewall. Band day is coming up, please sign up to sort t-shirts. This semester we will be trying to make flag bags again and be working on the Powerpoint for Project Protect Music.

**Correspondence:**

This is Rover, he travels around NED. We have him for about week, and will be sending him on next week. He came from West Chester, and we will be sending him to Syracuse. Deadline for Northeast Notes is on Nov 1<sup>st</sup>. For MCs, there are 12 alumni who would like an MC pen-pal, and there are 9 of you so if you want to have two pen-pals, raise your hand.

**History:**

I've taken lots of fun pictures from all the events we've had lately. At 11 a.m. on Sunday I'll be working on the FAC board.

**Constitution:**

Set up a committee meeting for October 9<sup>th</sup> in the Bluewall, everyone should come. We will be discussing changes we want to make, so we can think about them all semester so we can be more prepared to vote on them later. We will also be having a parliamentary work shop on 8pm Thursday the 11<sup>th</sup>.

**Song:** We're going to have a meeting to properly learn the parts to all of our songs! It will be on Monday the 8<sup>th</sup> at 6:30 pm in FAC.
