**Service:**

Committee fill out those forms!!!

New Orleans: we are donating to SS fund. If we get a big donation they might go further. We would try to go to honor societies and get them to help with this project. Caity is considering going down there herself or perhaps doing a train trip where Caity drives the whole way and meets up with different people along the way. We just need to make sure that people put notes in their instrument cases.

Thank you to the sisters and MC's that came out and helped inventory water. It was a great job to me to see you all!!
