Post-poning to next semester. All subscriptions are 2-4 years long and cost \$40.00. Student packages: \$25.00 for 1-2 years, but you would have to sell more. When Jen spoke to the woman in charge, so of them do cost more. The student package has more that would pertain to our age group. Jen will be looking into this more.

**New Business:**

Banquet Flowers

Neophytes will be in charge of sales, led by Michelle. Jen needs volunteers for sections:

**Colorguard: Sammi**

Questions about your dues, email Jen

**Membership:**

Meeting with the membership and Gamma Beta  
Tuesday November 2 @ 8pm

Recording Secretary will be making a list of questions that should be asked, in a fill in the blank format so that you can recall what each person said during their speech.

**Election Process:**

Perhaps doing a number sequence so you know where everyone stands

We do elections according to Robert's Rules. We do all nominations in old business. In New business is when we elect. Nominees give a 3 min. speech and 2 Q and A and then vote, majority.

Next set of meeting a new election process will be presented and we can decide upon how we are going to do elections.

Constitution:

Committee meeting @ 6pm to put everything together for the game night, anyone can come and help.

Correspondence:

Alumni Association will help us to plan the alumni event since they will not give our addresses. Also we will be something jointly.

Neophytes remember that you can now be committees, so just ask the committee chairs

The alumni did want to get in contact with more founding members, so that is something that the committee will be working on by writing personal letters. We are thinking a tour of chapel, any other ideas please email Danni.
