

Alumni News
February, 2005

It's almost spring (or so we like to hope)! And along with the emergence of the flowers and warmth will come a brand new BDIC Alumni website. On the website you will find a restructured alumni directory with only the names of alumni who wish to be listed. In order to create the directory, we have re-installed a questionnaire so that you can respond with updated information.

Another exciting development is the creation of a BDIC Alumni Board. The purpose of the Board is to extend and personalize outreach among alumni in the hopes of galvanizing a stronger unit. Two alumni, Alex Chan and Dave Soboff, have volunteered to chair the Board, and they are hoping that many others will be interested in becoming involved, as well. You will be receiving a letter from them explaining the hopes and goals of the Board in the near future. It will also be posted on the website.

The BDIC Spring Projects Fair and Alumni Forum will take place on Wednesday, May 4, from 3-7 p.m. Current BDIC students will showcase their final projects- everything from films and art shows to science research between 3 and 5 p.m. There will be a reception for alumni and an alumni immediately following. It is an excellent opportunity for alumni to both see the latest developments at BDIC and to contribute their valuable life and career experience to our current students. We hope you'll all mark your calendars for the Projects Fair. It will truly be a gala event, with music and the usual wonderful food. And we would love to see you!

Please stay tuned and in touch! We, at BDIC, wish you all a wonderful and early spring!
