PARKING LOT SECURITY

Brian Long, Student Government Association, discussed Section C - Care of Property from the *Code of Student Conduct Handbook* (see handout) which documents cause and effect for vandalized property. Issues such as vandalism or stolen vehicles would fall under student jurisdiction. Brian stated that the Dean's Office would not charge a student until the court case is completed. He will speak with the Dean of Students, Chair of the Student Judicial Hearing Board, as to the enforcement process in charging students.

PARKING LOT SURVEILANCE

Rob Hendry (Parking) will continue to meet with various security vendors. He is working with Facilities and Campus Planning on all aspects of parking and security in lots.

NEW DIRT *New Dirt* is the catch phrase for the capital construction projects scheduled to begin in April 2005.
