What is the Chancellor’s Cup?
- An Intramural Sports Cup Championship for 1st Year Residential Clusters and their staff based on participation, sportsmanship, and competition in league and tournament activities listed below
- A fun way to build community and relationships
- A 3.5 foot trophy sits in the Rec Center trophy case awaiting the 1st Year Cluster Champions at the end of the year

How many teams can play?
- Only one team may represent the same cluster in each league activity, but up to six racers may represent same cluster in the Revolution Run and up to six teams may represent the same cluster in sports trivia***
- Does this mean if there are several co-rec flag football teams that want to play with their hallmates, they cannot play? Of course they can play, but only one per cluster can play in the Co-Rec Res Hall league. The other teams will have to play in a non-Res Hall league. If the league is named “Co-Rec Res Hall,” then it is for the Chancellor’s Cup only

How do we choose which Co-Rec team gets to represent the Cluster?
1. One RA will be appointed the Cluster Intramural Chair and be responsible for choosing the team that will represent the cluster
   - Willing teams should be given the opportunity to play throughout the year (should not be the same team)
2. All teams should be assembled offline with the RAs being the captain (at least in early fall), but all interested parties should create IMLeagues accounts at www.IMLeagues.com/UMass
3. Knowing the day and timeslot their team wants to play, the team captain should fill out the cluster google form as soon as possible and by the Friday of the first week of registration
   - Registration for each sport runs Tuesday 8am-Tuesday at 10pm except ...
   - Registration for the Revolution Run is already open
     - Cluster Chair will simply email a list of participants and what cluster they represent prior to the race to Jason Incorvati at jasonink@umass.edu
4. Having the list of potential representing teams, the Cluster Chair will chose the team representing the cluster and instruct them to create the team with the residence hall or cluster in the team name, add the minimum players to their roster, and choose the spot in one of the divisions offered in the Co-Rec Res Hall league by the end of the weekend. All other interested teams will be instructed to create teams on the waitlist for the non-Res Hall leagues
5. On the Monday of registration, the intramural sports staff will open up as many divisions as necessary in the non-Res Hall league in an attempt to accommodate as many teams as possible prior to the registration deadline
6. Teams that miss the activity’s registration deadline can still be created on the waitlist online until 12 noon on the Friday after registration for most activities and 12 noon on the Thursday of the RSVP Meeting for Table Tennis Doubles
7. All Players should familiarize themselves with the intramural sports rules for the activity they wish to participate in at www.umass.edu/campusrec/intramurals or at www.IMLeagues.com/UMass and should know to go to the intramural Participant’s Guide for a question about a general intramural sports policy prior to contacting intramural sports staff
   - Three of the bigger policies to understand so they won’t prevent your team from playing are
     - Ucard Policy
     - Jewelry Policy
     - Proper Athletic Attire
       - Jersey (t-shirt policy) for some activities
       - Some sport specific requirements are mentioned in sport rules (e.g. no pockets in football)

***For activities with no Co-Rec Res Hall League (Bean Bag Toss, Revolution Run, Sports Trivia) the Cluster Chair will email Jason the individuals/team(s) representing their cluster.

For questions about the Chancellor’s Cup, please contact Jason Incorvati at jasonink@umass.edu.
All activities
- All teams that participate will receive 25 points
- Teams that forfeit games receive -30 points
- Teams that receive a 2 in sportsmanship will receive -20 points
- Teams that receive a 1 or 0 in sportsmanship will receive -50 points
- RAs are encouraged to participate
- Individuals from outside the cluster are not permitted to participate

Major activities
- Fall Flag Football (Co-Rec)
- Fall Volleyball (Co-Rec)
- Winter Broomball (Co-Rec)
- Spring Basketball (Co-Rec)
- Spring Softball (Co-Rec)
- Spring Soccer (Co-Rec)
  - Cluster Champions will receive 150 points
  - Cluster Runnerup will receive 100 points
  - Cluster Third Place (the two losing teams in semis) will receive 75 points

Smaller Activities
- Fall - Bean Bag Toss (Open)
- Fall - Homecoming 5K (Open)
- Winter - Sports Trivia (Open)
- Spring – Dodgeball (Co-Rec)
- Spring – Table Tennis Doubles (Mixed)
  - Cluster Champions will receive 75 points
  - Cluster Runnerup will receive 50 points
  - Cluster Third Place (the two losing teams in semis) will receive 25 points
  - For every additional racer beyond 1, each cluster receives 5 participation points capped at five additional racers (25 points)
  - For every additional sports trivia team beyond 1, each cluster receives 5 participation points capped at five additional teams (25 points)

Sanctions
- All other sanctions (and policies and procedures) will be adjudicated as they would for any other intramural team/individual
- Example: One can’t play on two co-rec teams in the same sport during the same season
  - One may play women’s or men’s AND co-rec in the same season within the same sport (total of two teams per sport)
  - One may play on an unlimited number of intramural teams throughout the year
- Teams are responsible for their spectators
- All should be respectful of student staff that are working to provide you an enjoyable experience
