Men's Softball Champion **Muff Divers**

The men's softball championship game was a pitching and defensive gem. **Ken Keniff** lost only one game in league play. Their opponent, **Muff Divers**, entered the big dance unblemished in league play at 4-0. In the top of the 1st, **Ken Keniff** went three up-three down in just three pitches. For **Muff Divers** in their half of the 1st, a leadoff single by Andy Weinstein was all their offense. **Ken Keniff** stranded runners on first and third in the 2nd inning. **Muff Divers'** Dan Jette led off the bottom of the 2nd with a single and later scored on a sacrifice fly by Josh Levine. In the top of the 3rd, **Ken Keniff** again went 1-2-3. Bardia Razzaghi shot a double into the left-center gap to get things started for **Muff Divers** in the bottom of the 3rd. After Adam Rubin reached on an error, Eric Frost hit a bomb over the leftfielder's head to score both Razzaghi and Rubin. **Muff Divers** held the 3-0 lead into the 4th inning. **Ken's** Kevin Lane led off the 4th with a bunt single. The next three batters all singled, including Edward Sisk's RBI, which brought home Lane. After a line out to the shortstop, Greg Alexandru hit a sacrifice fly to bring in another run for **Ken Keniff**. The next batter flied out to the short fielder to end the inning at 3-2. **Muff Divers** countered by putting runners on the corners with one out, but stellar defense by **Ken Keniff** kept runs off the board. With their backs to the wall, **Ken Keniff** pressed hard for a 5th

inning rally. After a pop out to second base, Patrick Morris laid down a nice bunt but stumbled out of the box and was retired 1-3. The game came down to the **Ken Keniff's** leadoff hitter, Andrew Bull. Bull grounded the ball hard, but unfortunately right at the shortstop who threw Bull out at first. Despite a late-game rally by **Ken Keniff**, it was not enough to overcome the early offense from **Muff Divers** who held on for the 3-2 win. *Marc LeBlanc*

Co-Rec Softball Champion **The Team Formerly Known as Prince**

The championship between **The Team Formerly Known as Prince** and **Team ULI** was a clash of two unbeaten teams. **Team ULI** went 5-0 in their regular season games, followed by two WBFs and a 1-0 win in the playoffs. **The Team Formerly Known as Prince** was 4-0 in league play and won three playoff games to reach the final. In the championship, both teams brought outstanding defense through seven innings. In the top of the 8th with a runner on second base, a **Team ULI** fly ball landed in barren territory in left field, allowing Dylan Petitt to score the game's first run. In

Prince's half of the 8th inning, Alex Banyasz's leadoff triple jump-started the offense. Mary Ambacher's single plated Banyasz. Although **Prince** sent six runners to the plate in the inning and connected with four straight singles, **Team ULI's** defense closed the door with only one run allowed. Both teams went 1-2-3 in the 9th. In the 10th, **Team ULI's** Patrick Donlan scored to put **ULI** up 2-1. In **Prince's** at-bat in the 10th, with one out, Brett Sawin singled. The next batter, Allyssa Manyak's fielder's choice forced out Sawin at second base. John Crimarco dug in at the plate as the last hope. Crimarco crushed a triple to score Allyssa Manyak. With the game tied at 2 and Crimarco on third, Sarah Hayes made the third out to force extra innings. **Team ULI** went in order in the top of the 11th. In the home half, Brandon Tower led off with a single, but was forced out at second on Dan Brothers's fielder's choice. Julie Davis singled to keep the inning alive. Ambacher's sacrifice advanced the runners to second and third. Sawin stepped to the plate. **ULI's** bench was imploring the outfielders to 'back up.' The outfielders underestimated the on-fire Sawin. He crushed the ball to score Brothers from third. A walk-off bomb never tasted sweeter as **TFKAP** captured the championship 3-2. *Jennifer Krawiec*

Co-Rec Soccer Champion

S.F.C.

At the end of a wet season, the weather finally cooperated for the co-rec championship between **S.F.C.** and **Pike**, both 4-0 in league play. **S.F.C.** barely took the time to settle in before Dom Previte scored the game's first goal at 18:55. Less than a minute later, Meaghan Giangregorio nestled a kick just over the head of the **Pike** keeper for **S.F.C.'s** two goal lead. **Pike** would not go quietly, however, as they soon generated some offense. **S.F.C.'s** Jeff Newton had some help on his throw-in by Dan O'Quinn who scored with a beautiful header at 11:57. **S.F.C.** was just proving to be too much at both ends for **Pike**. The game seemed to be in hand for **S.F.C.** with the 3-0 halftime lead, but **Pike** would have other plans. On the kickoff to start the 2nd half, **Pike** drove into **S.F.C.** territory to score its first goal by Andrew Geraghty. Just when **Pike** seemed to be back in the game, **S.F.C.'s** Jeff Newton had other plans. Newton put the ball into the net for **S.F.C.'s** fourth goal at 14:01. From start to finish, **S.F.C.** dominated **Pike**. Fittingly, **S.F.C.'s** Dom Previte scored the game's first and last goals. Fed by a great pass, Previte streaked down the sideline and fired home the game's last notch. **S.F.C.** staked its claim as champion in convincing 5-1 fashion. *Andrew LeClerc*

Volleyball Special Champion

In-Sync

This spring's volleyball special champion, **In-Sync**, sealed the deal against their opponent, **Swat Team**, in a highly anticipated match between two extraordinary teams. In game one, **In-Sync** jumped to a 3-0 lead behind the serving of Sumeet Pandey. However, Jim Lau of **Swat Team** fought back and brought the score to 3-2. **Swat Team's** Leo Meira was quick to spike any ball that came his way and was a prime asset on defense. On the other side, **In-Sync** not only had great serving from Borislava Simidchieva and Marzia Miletto, they also displayed tremendous defense and teamwork from Andrew Stout, Stefan Christov and Amanda Kirkpatrick. **Swat Team's** Chelsea Paoella brought the score to 10-7, still trailing but not willing to give up. As soon as the score was tied 13-13, **In-Sync** took the first timeout. **Swat Team** swiped the first game 15-13. With another great start in game two, **In-Sync** led 6-0 behind the serving of Miletto. Pandey added two more points to make it an 8-0 lead. While this was a rough start for **Swat Team**, they certainly didn't give up. Frustration set in as **Swat Team** needed time to re-group and organize their strategy. The game turned around when Dan Child tallied 6 points to put **Swat Team** on the board. Despite great defense from Meira, Arianna Burke and Alli Mulvey,

serving from Jeff Johns and Stout won the second game 15-9 for **In-Sync**. Rally game three began with many sideouts. **In-Sync's** Miletto pushed a 3-0 run. After serves from Stout and Christov, the team of graduate students led 11-6. Josh Abrams's service helped **Swat Team** reasonably catch up to **In-Sync** 14-9. Mulvey made an incredible comeback to stave off defeat by tallying 5 points. With the game tied 14-14, **In-Sync** took their timeout to try and slow down their opponent's momentum. With teamwork of Simidchieva and Karlie Intlekoter, **In-Sync** managed a critical block to give them possession of the volleyball. With stellar defense from Lau, **Swat Team** regained possession of the serve. Child put his team in the lead with 5 points. With **Swat Team** holding the lead 19-18, **In-Sync** knew it was now or never. Both teams displayed great teamwork and effort, but it was Johns's last serve that gave **In-Sync** the 23-21 win and the championship. *Elizabeth Rosseel*

Co-Rec Dodgeball Champion

Rhymin' & Stealin'

This year's co-rec dodgeball tournament entertained a field of nine teams competing in pool play with the top six teams advancing to single-elimination playoffs. In the end, **Rhymin' & Stealin'** and **Broskis** met in the championship. Both teams were undefeated in pool play and earned a first round bye in the playoffs for their #1 seed. In one semifinal, **Broskis** swept **D-**

Ballers for the second time after sweeping them in the final round of pool play. In the other semifinal, **Rhymin' and Stealin'** swept the other first place team, **Faswasons**, in convincing fashion to set up the final. Not one game in the final was decided prior to the five-minute regulation rule. In the first game, **Broskis** edged **Rhymin' & Stealin'** with a four-to-one player advantage. **Rhymin' & Stealin'** trailed all game, but used many regenerations to keep toeing the line of defeat. In the second game, **Rhymin' & Stealin'** were ready to even the score. Pat Tenero got it started by pegging Zach Achin in the opening seconds. Alex Appel was able to bring a **Broski** back (Like that? Bring a Broski back!) to the court after catching an opponent's throw. But it wasn't enough as **Rhymin' & Stealin'** had one more player left on the floor after five minutes. The third and final game lived up to its potential as all six players for both teams were knocked out at least once throughout the game. In the waning seconds, Stephanie Sorgi of **Rhymin' & Stealin'** and Tamir Perelman of **Broskis** made last-ditch efforts at the basket bonanza for the win. Neither prevailed and game three ended tied 4-4. This meant overtime! After winning the coin toss, **Rhymin' & Stealin'** chose their player, Dan Abrams. **Broskis** countered with Zach Watson. After two 'square of doom' overtimes that were too close to call, the officials decided to settle the match with a 6v6, five-minute overtime. The overtime was tied at three players each for much of the five minutes. Corey Mulvehill's catch put **Rhymin' & Stealin'** up 4-2 with a lead they would not relinquish. **Rhymin' & Stealin'** captured the championship in thrilling fashion.

Men's World Cup Soccer Champion

Impressions

The intramural world cup soccer tournament features some of the best soccer on campus. After all, how many games do you see two players with a hat trick? After pool play and two semifinal games, two talented teams, **Impressions** and **Chupacabras** squared off in the final. **Impressions'** key scorer Alex Cavallini notched his first goal of the game barely a minute after kickoff. Cavallini struck again, netting his second goal of the contest about four minutes later to give **Impressions** a quick 2-0 lead. It didn't take long for **Impressions** to score again, this time off the foot of captain Jaime Mira. Down by three goals early, **Chupacabras** got on the board with Jose Garcia's goal for a 3-1 score. Cavallini wasn't done either, netting the hat trick with about eight minutes left in the half. Scoring stopped briefly and **Impressions** took the 4-1 lead into the half. The story of the 2nd half was basically the same - a shooting showdown between Cavallini and Garcia. Cavallini scored his fourth goal, extending the lead 5-1. Garcia and **Chupacabras** were not ready to go down without a fight. Garcia netted a pair of goals within two minutes for his own hat trick. Twelve minutes left and a 5-3 game...okay, everyone else go to the sidelines and let these two duel it out, right? Scoring opportunities were limited for the remainder of the game as the teams buckled down with defense (or they were

exhausted), but Cavallini added his fifth for the finishing touch on a 6-3 victory for **Impressions**.

In the mixed division, men's and women's champs **Matthew Grazewski & Kate MacDonald** bested Dorothy Liu & Taylor Nickerson 10-7.

Men's Run 'n Gun Flag Football Champion

7/11

With a weekend title already under their flagbelts, **Busch League** was the early favorite for the new three-week tournament format. **Busch League's** superior IQ and crafty athleticism was put on display throughout their undefeated pool play schedule. Due to tie breakers, **Busch League** missed out on a first-round bye in the single-elimination playoffs. **Busch League**, however, proved the bye and top seed was not necessary, as they marched through opponents to the semifinals. Next in line was pool rival **Black Snake Moan**, whom they squeaked by 46-45. This time, **Black Snake Moan** found themselves on the end of a 54-19 rout that returned **Busch**

League to the championship. Unlike **Busch League**, **7/11** did not have the championship swagger and maroon shirts. However, **7/11** did have four years of UMass flag football experience within their core of the squad. **7/11** did not turn many heads, as they flew under the radar with a 2-1 record and a number two seed for the playoffs. Though they displayed their toughness in three consecutive playoff wins, including one over an athletic juggernaut team, their +28 point differential was minuscule compared to Busch League's +126 point difference throughout the playoffs. Nonetheless, **7/11's** grit and experience set up a championship game that put toughness against savvy. In the championship game, **Busch League**, led by quarterback John Kineavy, scored the first on four straight completions. **7/11** showed off their fire power as well. The teams exchanged leads six times and scored on each possession. **7/11's** QB, Andrew Smith, scored his third 1st half touchdown, this time as a wide receiver. The 1st half ended fittingly tied at 28. On the first play of the 2nd half, Smith reached the end zone on a long run that was negated by a flag guarding penalty. With three consecutive stops by **Busch League**, **7/11** had the first turnover-on-downs. A Smith-led attack with receivers Marc Lemarbre and Stefan Gomes was virtually unstoppable, as was the combination of **Busch League's** Kineavy to receivers Brian Vaccaro, Matt Perry and Eric Fenstermaker. With a long Lemarbre TD reception, **7/11** took their first second half lead 50-48 with about a minute to play. A cool **Busch League** offense trucked down the field to cap their drive and reclaim the advantage with a Nate Tattersall touchdown. A successful 2-point

conversion, gave **Busch League** the 56-50 lead with under 25 seconds. **7/11**, however, stayed composed. They methodically worked their way down the field, stopping the clock after each completion by going out of bounds. With 8 seconds to play, Smith eluded two defenders & plunged into the end zone to tie the game with no time left. On the potential game-winning point-after-try, **Busch League's** Fenstermaker intercepted the pass. The lateral-filled return run was stopped by Smith to set up overtime. In the first series of overtime, **Busch League's** Vaccaro recorded his second touchdown with a tough catch through the defense. Perry's 2-PAT catch put the pressure on **7/11**. **7/11** matched both scores as Lemarbre ran in a touchdown and caught a 2-PAT pass. In the second overtime series, Smith continued his leadership by running for his sixth touchdown and throwing to Gomes for an eight-point lead. On the ensuing drive, **7/11** threw a hard rush at **Busch League** on their third down attempt from the 1-yard line. The incomplete pass sealed a hard fought 72-64 win for **7/11**.

Co-Rec Run 'n Gun Flag Football Champion **Mama's Calling**

This year's co-rec run n' gun final was a back-and-forth battle between **Mama's Calling** and **Mythical Creatures**. When the two teams met during pool play, **Mama's Calling** crushed **Mythical Creatures** 56-9. This rematch was far from a rout. **Mythical Creatures** was first on

the board when Steven Daloia's TD pass connected with Amanda D'Entremont for the quick 9-0 lead. **Mama's Calling** quickly responded when Andrew Smith threw up a bomb to Marc Lemarbre to bring the score to 9-6. Subsequent touchdowns by **Mama's** Smith & **Mythical's** Bree Leyer would bring the score to 18-17 after a successful two-point conversion by **Mama's Calling**. Interceptions by both Smith and Stefan Gomes helped **Mama's** stretch their lead to 32-18. A quick TD reception by James Chapdelaine brought **Mythicals** back to within eight points 32-24 at the half. **Mama's Calling** opened the 2nd half with a time-consuming drive that was thwarted at the goal line. **Mythical Creatures** would turn around and score, but their PAT was intercepted to make the score 34-30. **Mythical Creatures** then forced a safety to narrow the lead to just two points. Smith then had a pick-6 and successfully completed a two-point conversion as **Mama's** stretch the lead 42-32. A long pass & a clutch grab by **Mythical's** Leyer closed the gap at 42-41. Gomes then snagged his second interception that went for another six with a successful PAT. With **Mama's** in the lead 48-41, **Mythical Creatures** was posed for another score in this see-saw affair. **Mama's Calling** brought out all the defensive stops when it counted and dashed **Mythical Creatures'** last ditch attempts to snatch victory.
