Walk-In Advising
Knowledgeable peer advisors are available every weekday from 1:00-4:00pm to critique résumés and cover letters, and to speak briefly about interviewing and job search techniques. Evening hours are also available at the Student Union.

Career Skills Workshops
We teach varied workshops including: résumé and cover letter writing, developing your professional network, building your online presence, personal branding, dressing for success, tips for interviewing well, and the latest in job search methods.

Job and Internship Database
Available only to UMass students and alumni, our searchable databases, CareerConnect and GoinGlobal, are updated weekly with open positions and internship opportunities. Find a job and apply directly through our website!

Career Fairs and Campus Recruiters
UMass Amherst Career Services runs the largest career fair in Western Massachusetts. Over 100 well-known organizations come to our campus to recruit from across all majors and to diversify their workforces. We also run specialized fairs for specific majors.

Career Advisor Appointments
Feeling lost? Meet one-on-one with a professional career advisor specializing in your major. We can answer your career-related questions, and help map the next steps on your path.

Networking Opportunities
Attend alumni networking events and industry panels to gain first-hand advice from successful professionals in your field.

Mock Interviews
Prepare for your job interviews with our online resources and video streaming technology. Make an appointment with your career advisor, then participate in our mock interview week with actual employers.

Online Career Resources
Our website includes tools for every step of your journey, including self-assessment, selecting a major, and researching careers that are compatible with your academic preparation, interests and skills.

Your Personal Career Portfolio
Post your résumé and writing samples to your own CareerConnect account online. Employers use this database to recruit UMass Amherst candidates, and many schedule on-campus interviews.
