Family Connection

Children in our culture often know very little about death, dying, and eternal life. Take this opportunity to talk with your children about their thoughts, beliefs, maybe even their fears, about death and dying.

In the Gospel this week, Jesus tells us that after we die, we will not need the same things we did when we were alive, but we will continue to have a relationship with God. You could use the example of a tree to help your children understand what Jesus tells us. When a tree is alive it needs water, soil, and sunlight. When the tree is used to make a table, a toy, or something else it has a new purpose. The tree no longer needs water, soil, or sunlight. Read together the short form of the Gospel, Luke 20:27, 34-38. Tell your children about your hope and faith in the resurrection of the body and eternal life with God. Pray together for those in your family who have died and conclude by praying today's Psalm. Pharisee? How can we emulate the prayer of the tax collector?

Keeping Children & Youth Safe
Safe Environment Program

Do you know about Newman’s commitment to creating a safe environment for all children and youth in our ministries and programs? This program provides personal safety skills training for children, resources for parents, and background checks and education for those who work with youth and vulnerable adults. Newman’s Child Advocate, Jo-Ann Konieczny, helps create and maintain these programs, and is available if you have concerns about child safety. Speak to Fr. Gary Dailey, Jo-Ann Konieczny or call the Diocese of Springfield Office of Counseling Prevention and Victim Services 413-452-0624 for further information.
