

The public is cordially invited to attend our

# Spring Industry and Symposium Events

## **Pharma Careers** Industry Panel

**Thursday, April 9<sup>th</sup>**

*ISB 221, 2:15 pm*

Speakers offer valuable insights about discovery, development, and medical and regulatory experiences across a diverse industry spectrum. Prepared remarks will be followed by an informal Q & A opportunity.

### **Panelists include:**

Tomi Sawyer, Aileron Therapeutics

Pat Walters, Vertex

Jeanne Hardy, UMass Amherst (Chemistry)

Ray D'Alonzo, UMass Amherst (Chemistry)

## **Industry Seminar**, Life Technologies

**Monday, April 13<sup>th</sup>**

*Gunness Student Center (Marcus Hall), 2:45 pm*

### **Dr. Steven Menchen**

Life Technologies (formerly Applied Biosystems)

*"New technologies for high throughput DNA Sequencing"*

A Symposium on

## **Frontiers of Cellular Imaging**

**May 11<sup>th</sup>**

**Campus Center**

This event brings imaging pioneers to the UMass Campus. This is a great opportunity to mingle with a diverse UMass audience, as well as external industry and academic attendees. Students are encouraged to showcase their work in the **Poster Session**.
