2018 Summer Institute
Tutor/Mentor
Ten (10) Positions

The UMass Amherst Upward Bound Program is a year-long college preparatory program for first generation and/or low income high school students from Springfield, MA. Upward Bound is a social justice-based program; we acknowledge the barriers that face our students due to issues of race, class, gender, sexual orientation, ability and other differences. Upward Bound is an intentionally inclusive program that recognizes and celebrates diversity. Our program is committed to providing our students opportunities to access higher education.

The Summer Institute is a 6-week residential experience hosted at UMass Amherst for 40 – 60 high school students. The Summer Institute is designed to expose students to a college-like experience that supports the positive academic, emotional, and personal development of our students in preparation for success in college and life afterwards. The Summer Institute provides participants with the experience of living on a college campus; taking academic courses, engaging in artistic, musical and other fun and educational activities as well as preparing for college and career success. Upward Bound students will participate in programming that will include: mentoring and tutoring, academic advising, social justice based themes and workshops, college positive student panels, development of time management and critical thinking skills.

Upward Bound is looking for energetic, team-orientated people from many academic disciplines that enjoy working with young people. The summer program is intensive, and challenging; potential candidates should expect a fast-paced and dynamic workplace. Housing and meals will be provided for all staff members June 25th – August 10th. All staff will be expected to move in Sunday, June 24th. Training will be provided.
