Definitions and Notes

Double Major: Students who complete the minimum credit hours to satisfy completion of a second major.

Minor: Minor programs allow the student to explore and attain some competence in a second area of study without fulfilling the full range of requirements of the major. At least 15 credits in a coherent set of courses in a particular discipline, department, or program are required.

Note 1: Baccalaureate degrees awarded include double degrees.

Note 2: Double majors and minors are not counted in the degree totals.

Note 3: All data reflect the organizational structure as of 2006-07. Historical data have been adjusted to reflect the changes.

Note 4: Degrees awarded through undergraduate and graduate programs administered by the Division of Continuing & Professional Education are included.

Note 5: Includes September, February, and May graduation dates.
