

**Town of Falmouth
Organic Cranberry Cultivation**

Addenda #1

The following additions and/or alterations to the Request for Proposal/Invitation to Bid for the above-referenced contract are to be incorporated into all bid proposals.

Inclusion of this Addendum must be acknowledged by returning each numbered addenda with an original signature below

1. The Bid Opening has been extended to April 15, 2005 at 11:00 AM
2. All questions regarding this RFP must be submitted in writing to the Office of the Town Administrator prior to March 30, 2005 to allow for a uniform response to all bidders in advance of the April 15, 2005 Bid Opening.

3. Sanding: The Licensee, at least annually, shall provide the Municipal Manager a sanding plan in writing which identifies any areas of Town owned land from which sand, including the volume of sand, is requested to be mined expressly and exclusively for the maintenance of the Town owned Cranberry Bog. The Municipal Manager shall review the request and determine the sanding plan's reasonableness as well as its harmony with the purposes of this license. Any sanding request not denied in writing within twenty days of delivery shall be deemed to have been approved. Mining of sand either without permission or exceeding the area or volume requested shall be considered a material breach of this License subject to immediate revocation of this License.
