BEFORE BUDBREAK (timing may vary depending on weather and location)

- Aster, corn grass, cottongrass, crabgrass, cutgrass, ferns (bracken and royal), ................. Casoron
- fireweed, haircap moss, loosestrife, mannagrass, marsh St. John's wort, mare's tail, narrow-leaved goldenrod, needlegrass, nutsedge, pitchfork, ragweed, rattlesnakegrass, rushes, smartweed, sorrel, summergrass, velvetgrass, wild strawberry, woolgrass
- Wild bean (if active, spot-treat with Stinger – see below for probable timing) .......... Casoron, then Devrinol
- Clover ................................................. Stinger
- Dodder .................................................. Casoron (< 50 lb/A), QuinStar
- Sphagnum moss (improve drainage) .......................................................... Iron sulfate
- Barnyardgrass, broadleaf panicgrass, broomsedge, Canada rush, corn grass, cutgrass, dulichium, Evital
- horsetail, needlegrass, nutsedge, smokegrass, spike rush, summergrass, switchgrass, woolgrass
- Dewberries (brambles) ................................................. Late water, fall flood
- Barnyardgrass, corngrass, cutgrass, nutgrass, povertygrass, summergrass, etc. .... Devrinol

BUDBREAK THROUGH FRUIT DEVELOPMENT

- Cinnamon fern, feather fern, sensitive fern .............................................. Iron sulfate and salt
- Asters, cinquefoil, feather fern, marsh St. John's wort, sensitive fern................... Iron sulfate
- Actively growing, true grasses (annual and perennial) on producing bogs............. Poast or Select Max
- Ditch weeds (sprays) ........................................................................... Rodeo, Roundup
- Dodder ................................................................. QuinStar, Callisto
- Water weeds (but not in ditches) ............................................................. Diquat
- Wild bean ........................................................................ Stinger or salt solution
- Poison ivy ......................................................................... Callisto + Poast
- Tall weeds on bogs .................................................................. Roundup, Weedar 64
- Many broadleaved weeds, including pineweed ............................................ Callisto

IN THE FALL AFTER HARVEST

- Aster, blue joint, cottongrass, cutgrass, fresh meadowgrass, loosestrife, ............. Casoron
- marsh St. John’s wort, mud rush, narrow-leaved goldenrod, needlegrass, ............. Stinger vs. composite weeds
- nutgrass, ragweed, sphagnum moss, summergrass, woolgrass
- Barnyardgrass, Canada rush, corngrass, needlegrass, ....................................... Evital
- nutgrass, poverty grass (follow by winter sanding), summergrass, switchgrass
- Barnyardgrass, corn grass, cutgrass, nutgrass, poverty grass, spike rush ............. Devrinol
- Spot-treatment with sprays ................................................................ RoundUp
