### **FORMATION OF DISSERTATION COMMITTEE**

**LAURI TURKOVSKY** Proposed Dissertation Title: Strangers in Good Company?: An investigation of the role of perceived peer acceptance in gay, lesbian, bisexual and questioning high school student's sense of school safety. Statement of the Problem: The factors used by gay, lesbian, bisexual and questioning high school students to determine their sense of safety at school are inadequately investigated. Homophobia is assumed to be standard among Massachusetts high schools based on surveys that are ill-designed to assess such normative attitudes.
