Company Information SITI COMPANY

SITI Company is an ensemble-based theater company led by Anne Bogart. Its mission is:

- To create bold new productions;
- To perform and tour these productions nationally and internationally;
- To train together consistently;
- To train theater professionals and students in an approach to acting and collaboration that forges unique and highly disciplined artists for the theater; and,
- To create opportunities for artistic dialogue and cultural exchange.

Founded in 1992 by Anne Bogart and Tadashi Suzuki, SITI Company began as an agreement to redefine and revitalize contemporary theater in the United States through an emphasis on international cultural exchange and collaboration. Originally envisioned as a summer institute in Saratoga Springs, New York, SITI expanded to encompass a year-round company based in New York City with a summer season in Saratoga. The Company is known nationally and internationally as a top-level artistic collective that generates groundbreaking theater while training artists from around the world.

In addition to Artistic Director Anne Bogart, SITI Company is comprised of nine actors, four designers, a playwright, stage manager, associate managing director and managing director. The company represents a change in thinking about the relationships between artists and institutions. SITI Company has formed relationships with theaters and venues around the world who present the Company's work. Examples include our ongoing relationships with Actors Theatre of Louisville; American Repertory Theater; the Brooklyn Academy of Music; Classic Stage Company; the Krannert Center; On the Boards; Court Theatre; Arizona State University; Walker Art Center; and the Wexner Center for the Arts.
