

LOBBY VIEWS: DECEMBER 2007

Welcome Winter!

Brrr... cold weather is coming and we know all you can think of are exams, and getting to go on break to finally relax after the long and exciting semester. We want to thank you for your hard work and dedication this semester. You all did an amazing job and helped make the fall season at the FAC fun, exciting, and enjoyable to all of our patrons.

First and foremost, we want to congratulate **Casey Reinhart** on her promotion to House Manager!

Quick Announcements and Reminders:

- There is an FAC Blog being developed to post anything you wish related to the FAC. If you are interested in contributing to the blog or want more information about it, please contact us.
- Bowker patrons need to exit via the side doors during performances. Using the middle doors interrupts the patrons watching and the performers who are on stage.
- In Amherst for January? There will be MMEA Festival 1/12/2008 at the FAC in January. We would love to have you work if you are available! Let us know!
- We will be hiring in the spring. We plan to hire 3-5 new ushers. If you think you know a good candidate refer them to the usher application and job description on the Fine Arts Center website:
