USHER NOTES

- The usher stationed at the top of the elevator should stand outside near the handicapped parking lot to greet patrons as they approach and escort them into the building. Outside usher does not need to ride the elevator with patrons.
- In the Concert Hall, sections 2-3: be sure that mobility impaired patrons are seated in the correct seats
- All of our patrons should be offered the same services. Be sure to offer our mobility impaired patrons the food concessions menus, which the HM should give you prior to the show. If they do not, please ask for them.

Fun Fact: Last year the FAC welcome almost 50,000 patrons to just FAC sponsored events and this year according to the FAC website we have served 44,000 patrons so far!
