

## Alcoholic Beverage Policy

### PREFACE

The goal of the University Alcoholic Beverage Policy is to promote attitudes and behaviors towards alcohol use, on and off campus, that are consistent with an atmosphere of civility, and to discourage alcohol-related behavior which is abusive to oneself or to others, within the confines of preserving the civil rights of all. In accordance with the University's commitment to provide a civil, safe, and healthful environment, confidential services, resources, treatments, and various programs encompassing education and alternatives to alcohol use must be provided to support the needs and concerns of members of the University community related to alcohol and other drugs.

The following guidelines are general guidelines concerning the use of alcoholic beverages. Specific guidelines are available from various offices on campus such as Housing Services (for residence hall policies), the Office of Greek Affairs (for policies concerning the Greek system), Auxiliary Services, and the Dean of Students Office. All members of the University community are responsible for obtaining and adhering to these guidelines. Provisions of the Drug Free Schools and Communities Act and the Drug Free Workplace Act also apply, as well as regulations present in employee contracts.

### I. GENERAL GUIDELINES

The acquisition, possession, transportation and consumption of alcoholic beverages are governed by various statutes of the Commonwealth of Massachusetts and regulations of the Alcoholic Beverages Control Commission. In general, some of the more pertinent statutes and regulations provide that:

- No person, group or organization may sell alcoholic beverages except pursuant to a license granted by the Commonwealth through the local government licensing authority.
- No person shall operate a motor vehicle while under the influence of alcoholic beverages. Violators are subject to arrest, fine, mandatory court education programs, loss of license and/or imprisonment.
- No person who is intoxicated shall be served an alcoholic beverage. Violators are subject to fine and possible disciplinary action from the local licensing authority.
- No person or group shall purchase or otherwise procure alcoholic beverages for consumption by a person under 21 years of age. Violators are subject to criminal charges and fine.
- No person under 21 years of age shall transport, purchase, sell, possess, or receive alcoholic beverages. (Except persons who are 18, 19, or 20, may transport or carry alcoholic beverages in the course of his/her bona fide employment in an establishment licensed to sell alcoholic beverages.) Violators are subject to arrest, criminal charges and fine.
- No person shall use the liquor identification card or driver's license of another, or supply such cards to another, or furnish false information in obtaining such cards, or alter or deface such cards. Violators are subject to possible arrest, criminal charges and fines.
- In addition to the criminal penalties for wrongful handling and use of alcoholic beverages, individuals who furnish or sell alcoholic beverages to minors or to persons who are intoxicated may be liable to such persons and to anyone else who suffers personal injury as a result of such furnishing or sale. This could result in a civil lawsuit.
