

# Moderne deutsche Lyrik –

## von der Romantik bis Hip-Hop

### Modern German poetry

UMass Amherst

Spring 2010

A survey  
of poetry  
in  
German,

beginning in the 19th and focusing on the 20th century. Emphasis on key figures and movements, beginning with Romanticism and its influence extending to the present. Designed to develop facility in interpreting and analyzing poetry, discussing the connections of poetics to philosophy and poetry as both underground and pop culture.

Conducted in German; prerequisite German 310/311 or equivalent.
