

Want to speak German where you live? Join us in Thatcher!

Curious?

☞ Participants in the German program speak only German. It's the closest thing you can get to an immersion experience without traveling to a German-speaking country!

☞ Everyone enrolls in the Thatcher Language Suite, German 285. This two-credit class is a relaxed and low-stress way to practice your speaking, expand your vocabulary and learn about German culture.

☞ Thatcher students receive lots of one-on-one attention from their Thatcher TA, who meets with students at least once a week for regular class sessions. The small class size is ideal!

☞ Go on special trips to German restaurants, museum exhibits, concerts, and other events throughout New England!
