This one-day workshop will introduce graduate students and postdocs to faculty careers at teaching-intensive institutions. Many faculty enjoy rewarding careers at colleges and universities that primarily emphasize teaching, including community colleges, regional comprehensive universities, and liberal arts colleges. This event will provide participants with a valuable opportunity to learn from and network with faculty and deans from a range of teaching-intensive institutions across the New England region.

### Agenda

<table>
<thead>
<tr>
<th>Time</th>
<th>Session Title</th>
</tr>
</thead>
</table>

Optional: One-on-one Job Counseling
Faculty from teaching intensive institutions will offer one-on-one job counseling appointments during breakout sessions 1 and 2. Participants may use these 15 minute appointments for CV or cover letter critique, or to seek other advice related to careers at teaching intensive institutions. Those requesting document review must bring paper copies (there will be no reviews of documents on computers, phones, etc.). Participation will be first come first served, and sign-up sheets will be available at the check-in table. A list of faculty participating in the networking luncheon and job counseling sessions is provided on the next page.

This event has been made possible by generous contributions from
Boston College
Boston University
Bridgewater State University
Brown University
Massachusetts Department of Higher Education
University of Massachusetts Amherst
University of Massachusetts Boston
University of Rhode Island
Westfield State University

Cross-Sector Partnership
This event emerged from the Cross-Sector Partnership, which aims to link doctoral institutions, regional comprehensive universities, community colleges, and liberal arts colleges in Southern New England. To follow our activities as we build better connections among these institutions and prepare future faculty for teaching-intensive institutions, check out our blog at: https://crosssectorpartnership.wordpress.com/
