VP of Communications/PR:

- I am still waiting to get the list of house positions & majors from:

- I'll be sending out the schedule of all Panhel meetings from now until the end of the semester, including all Panhel/IFC meetings, with the minutes tonight.
 - If your chapter volunteers to host a meeting and you later realize there is a conflict, PLEASE let us know ASAP so that we can get another chapter to host it & send out the email in a timely manner.
- Applications for the Asst. VP of Membership are due February 15th, so please get those in ASAP.
- Applications for the other assistant positions will be coming out on February 14th in the minutes, so please speak with your chapter members about applying. There are assistant positions for Standards, Communications and Activities. (The Membership applications are already out.)
- All applications & important documents – including the minutes & schedule of Panhel meetings – can be found on the Greek Affairs website, so if you are ever trying to find something & can't get in touch with me it's all on there.
- Your Panhel Post submissions will be due by the absolute latest by February 20th, but I'd like to have them by the 15th. If you do not get me your submission I will just leave you out, as I am trying to make sure that the Panhel Post gets sent out on time every month.
 - Please include pictures, birthdays of sisters, philanthropy events that are coming up for your chapter, important dates for your chapter (ex: if your Founders Day is in Feb. or March – include it ☺)
- I am going to try something a little new with “letter day”:
 - From now on we will try to keep track of how many members of each chapter are wearing letters on *letter day* (We are asking that Panhel Delegates/Presidents keep track of this information and turn it in @ Panhel meetings) and to *Panhel meetings* (not counting formal meetings) and at the end of the semester, the chapter that has the HIGHEST PERCENTAGE of women wearing their letters consistently will get a pizza/ice cream/something party ☺
