
Programming Requirements

Every chapter must design and promote a developmental program for the chapter membership. A chapter must sponsor at least one developmental program per month for the chapter membership (4 programs in the fall and 4 programs in the spring). Chapters are encouraged to offer an engaging developmental program for its membership that meets a number of needs and interests.

REQUIRED TOPICS: A chapter must have at least one developmental program that addresses the issues of:

- Alcohol and other substances use and abuse.
- Diversity and multiculturalism
- Leadership and/or organizational issues

Other programs may address a wide range of topics and issues. Chapters are encouraged to use the vast resources of the University, including peer education programs, the Fine Arts Series, and various offices within the Division of Student Affairs and Campus Life.

A Program Verification Report Form must be submitted to the Office of Fraternities and Sororities within 5 business days of the program date.

Additional programming resources: national offices, alumni, community agencies, academic programs, the Five College Program, and other student organizations.
