

**Sigma Phi Epsilon
Massachusetts Alpha Chapter
Balance Man Scholarship**

Dear University of Massachusetts Student:

Sigma Phi Epsilon is the nation’s largest fraternity with a national grade point average of 3.15. Sigma Phi Epsilon’s primary goal is to “build balanced leaders for the world’s community.” In working towards this goal Sigma Phi Epsilon values what is called the Balanced Man. The Balanced Man is one who demonstrates a Sound Mind and a Sound Body. In honor of our ideals, Sigma Phi Epsilon is offering a scholarship to incoming freshmen male students at the University of Massachusetts Amherst worth **\$1300**. The scholarship will be awarded to those who best exemplify the ideals of a Balanced Man, and show a strong commitment to personal and academic development. The application and scholarship in no way requires future membership to our organization.

Sigma Phi Epsilon prides itself on providing its members the opportunity to achieve the ancient Greek ideals of Sound Mind and Sound Body. Members are encouraged to seek out growth opportunities through the award-winning Balanced Man Program. As such, Sigma Phi Epsilon will be awarding high-caliber University of Massachusetts men who demonstrate these same values in their daily lives. The winner will be determined through this application process in addition to a formal interview in the beginning of the fall semester.
