National Organization:

Alpha Epsilon Pi was founded to provide opportunities for the Jewish college man seeking the best possible college and fraternity experience. We have maintained the integrity of our purpose by strengthening our ties to the Jewish community and serving as a link between high school and career.

Throughout our history, the fraternity setting has served as a "learning laboratory", a testing ground for young men who later become leaders in business, education, government, religion, and science. A goal of our fraternity is to help each student to develop character, to learn responsibility, and to develop a proper set of values through living together in brotherhood. Alpha Epsilon Pi prepares young men for their role in life as responsible citizens.

Our basic purpose is to provide the opportunity for a Jewish man to be able to join a Jewish organization whose purpose is not specifically religious, but rather social and cultural in nature. Alpha Epsilon Pi is a Jewish fraternity, though non-discriminatory and open to all who are willing to espouse its purpose and values.

Community Service: blood drives, community outreach programs, relay for life, UDance, Hillel (Jewish Community Center).
