**Local Organization:**

Pi Kappa Phi had its humble beginnings at UMASS in September of 2005. The chartering process was a 14 month process, which lead to our founding on December 9, 2006 as the Theta Mu Chapter. We received our charter at MYLC 2007 in Charlotte, NC. We have pre-initiated the Beta class and now have 48 active members.

**GPA to join:** 2.8 cumulative

**Community Service:** PUSH America, Eric's 5K Road Race and Special Olympics. On the way to chartering we grew to 34 men, built a ramp for a low income family, and hosted a 5K road race for PUSH. This year our 5K road race is coming back in a big way, we also will be having a brother participating in the Journey of Hope (Trans-America road race).
