

<b>Department</b>	<b>Course #</b>	<b>Course Title</b>
Architecture-Des	520	Building Energy and Environmental Systems
Architecture-Des	211	The City
Architecture-Des	404	Design VI
Biology	105	Biology of Social Issues
Biology	287	Intro Ecology
Bldg Mat. & Wood Tech	211	Energy Efficient Housing
Bldg Mat. & Wood Tech	191A	The Built Environment
Bldg & Constr. Tech	313	Light Frame Structure Technology
Bldg & Constr. Tech	597B	Building Energy Performance Analysis
Bldg & Constr. Tech	597D	Sustainable Building and LEED Certification
Chemical Engineering	290A	Intro to Energy Engineering
Civil & Environmental Eng.	661	Subsurface Pollution
Civil & Environmental Eng.	671	Environmental Biological Proc.
Civil & Environmental Eng.	671	Biological Phenomena Environ Eng.
Civil & Environmental Eng.	672	Physical & Chem. Treatment Process
Civil & Environmental Eng.	770	Environ & Water Resource Engineering Design
Civil & Environmental Eng.	770	Environmental Engineering Design
Civil & Environmental Eng.	370	Environmental Eng. Principles
Civil & Environmental Eng.	490A	Sustainable Aspects of CE-ENG
Civil & Environmental Eng.	525	Environmental Geotechnology
Civil & Environmental Eng.	690R	Environmental Remote Sensing
Economics	765	Economics of Development – Structural Problems
Economics	308	Political Economy of the Environment
Engineering	111	Intro Civil & Environ Engineering
Entomology	574	Disease Vector Biology
Entomology	581	Integrated Pest Management
Environmental Conservation	528	Forest and Wetland Hydrology
Environmental Conservation	610	Perspectives on Sustainability
Environmental Conservation	621	Landscape Ecology
Environmental Conservation	692	Spring Seminar
Environmental Conservation	696	Practicum in Sustainability
Environmental Conservation	768	Wetlands Ecology & Conservation
Environmental Conservation	597R	Watershed Science & Management
Environmental Conservation	597W	Wetlands Assessment & Field Techniques
Environmental Conservation	691A	Fall Seminar
Environmental Conservation	697LU	Land-Use and Watershed Management
Environmental Conservation	697LU	Land Use & Watershed Management
Environmental Conservation	697U	Urban Ecology
Environmental Conservation	697Z	Environmental Economics and Sustainability
Environmental Design	398	Practicum
Environmental Design	574	City Planning
Environmental Design	597A	ST-Computers In Environmental Design
Environmental Science	504	Air Pollution & Climate Change Biology
Environmental Science	575	Environmental Soil Chemistry
Environmental Science	585	Animal and Environmental Toxicology
Environmental Science	101	Intro Environmental Biology
Environmental Science	197E	ST-Plants & Society
Environmental Science	197G	ST: Sustainable Environment
Environmental Science	213	Intro to Environmental Policy
Environmental Science	214	Principles of Environmental Biology

Environmental Science	297G	ST-Env Commun-EcoRep Approach
Environmental Science	297H	ST-Environment Trends Shaping Future
Environmental Science	315	Principles of Envir Toxicology & Chemistry
Environmental Science	342	Pesticides, the Environment & Public Policy
Environmental Science	445	Environmental Problem Solving in the Community
Environmental Science	452	Hazardous Materials Management
Environmental Science	465	Principles Environmental Site Assessment
Environmental Science	535	Methods in Environmental Toxicology & Chemistry
Forestry	232	Principles of Arboriculture
Geography	362	Conservation Geography
Geography	392Q	Qualitative Methods and Ethics in Geography
Geosciences	519	Aqueous and Environmental Geochemistry
Geosciences	530	Environment and Population
Geosciences	587	Hydrogeology
Geosciences	670	Urban Environmental History
Geosciences	670	Housing and Urban Development
Geosciences	100	Global Environmental Change
Geosciences	101	The Earth
Geosciences	102	The Human Landscape
Geosciences	103	Intro Oceanography
Geosciences	105	Dynamic Earth
Geosciences	131	Experiencing Geology
Geosciences	150	The Earth Transformed: World Environ. Issues
Geosciences	201	History Of The Earth
Geosciences	250	Natural Disasters
Geosciences	311	Mineralogy
Geosciences	331	Geological Mapping (539)
Geosciences	340	Quantitative Methods in Geography
Geosciences	352	Computer Cartography
Geosciences	354	Climatology
Geosciences	360	Economic Geography
Geosciences	364	Geography Of Development
Geosciences	370	Urban Geography
Geosciences	372	Urban Issues
Geosciences	420	Political Ecology
Geosciences	444	Sense of Place & Env. Perception
Geosciences	445	Sedimentology
Geosciences	458	Climatic Change
Geosciences	483	Environmental Evolution
Geosciences	491	Water and Sustainability
Geosciences	494A	Seminar-Intro To Gis
Geosciences	497E	Geography, Policy & the Environment
Geosciences	501	Planet Earth
Geosciences	510	Natural Hazards
Geosciences	530	Population Environment
Geosciences	573	Environmental Geophysics
Geosciences	583	Metalliferous Econ Geology
Geosciences	587	Hydrogeology
Geosciences	590F	The Earth in Context
Geosciences	590O	Investigating the Ocean
Geosciences	591C	Environmental and Climate Modeling

Geosciences	591C	Introduction to Climate Modeling
Geosciences	591Q	Introduction to Remote Sensing
Geosciences	592N	National Parks and Protected Areas
Geosciences	594A	Introduction to GIS
Geosciences	595A	S-Adv Gis
Geosciences	595D	Oceans and Climate
Geosciences	595D	S-Physical Oceanography
Geosciences	597G	Geography Policy and the Environment
Geosciences	697V	Water Geographies: Conflict and Sustainability
History	383	American Environmental History
Isenberg School of Mgt.	783	Business & Its Environment
Isenberg School of Mgt.	797	TT ST-Marketing for Sustainability
Landscape Arch. & Reg. Plan	547	(LARP) Landscape Pattern and Process
Landscape Arch. & Reg. Plan	604	(LARP) Urban Design
Landscape Arch. & Reg. Plan	397	(LARP) Open Space and Parks planning
Landscape Arch. & Reg. Plan	497A	(LARP) Urban Design
Landscape Arch. & Reg. Plan	497c	(LARP) Landscape Planning
Landscape Arch. & Reg. Plan	591F	(LARP) Green Urbanism
Legal Studies	497N	Environmental Justice
Mechanical Engineering	570	Solar & Direct Energy Conservation
Microbiology	597E	Environmental Microbiology
Natural Resources Conserv.	100	Environment and Society
Natural Resources Conserv.	205	Outdoor Recreation
Natural Resources Conserv.	225	Forests and People
Natural Resources Conserv.	260	Fisheries Conservation
Natural Resources Conserv.	261	Wildlife Conservation
Natural Resources Conserv.	310	Community Forestry
Natural Resources Conserv.	382	Human Dimensions
Natural Resources Conserv.	409	Nat Res Policy & Admin
Natural Resources Conserv.	521	Timber Harvesting
Natural Resources Conserv.	528	Forest & Wetland Hydrology
Nutrition	578	Nutrition in the Developing World
Nutrition	640	Public Health Nutrition
Nutrition	678	Topics in International Nutrition
Nutrition	597G	Food & Nutrition Policy
Philosophy	166	Environmental Ethics
Physics	118	Energy and Society
Plant & Soil Sciences	510	Mgmt. & Ecology of Plant Diseases
Plant & Soil Sciences	575	Environmental Soil Chemistry
Plant, Soil & Insect Science	555	Urban Plant Biology
Plant, Soil & Insect Science	100	Botany for Gardeners
Plant, Soil & Insect Science	115	Plants, Soils & Environment
Plant, Soil & Insect Science	265	Sustainable Agriculture
Plant, Soil & Insect Science	185	Sustainable Living
Plant, Soil & Insect Science	298G	Garden Share Practicum
Plant, Soil & Insect Science	325	Vegetable Production
Plant, Soil & Insect Science	379	Agricultural Systems Thinking
Plant, Soil & Insect Science	375	Soil & Water Conservation
Plant, Soil & Insect Science	382	Writing for Sustainability
Plant, Soil & Insect Science	397M	ST-Applied Marketing: Green Industries
Plant, Soil & Insect Science	398E	Student Farming Enterprise Class

Plant, Soil & Insect Science	590B	Project Devel. in Sustainable Food & Farming
Plant, Soil & Insect Science	590B	Sustainable Food & Farming
Plant, Soil & Insect Science	597A	Phyto/Bioremediation
Political Science	784	Environmental Policy
Political Science	252	Globalization & Governance
Political Science	253	Int'l Environmental Pol & Policy
Political Science	382	Environmental Policy
Public Administration	697B	Urban and Housing Policy
Public Administration	697K	Comparative Public Policy
Public Health	562	Air Quality Assessment
Public Health	565	Environmental Health Practices
Public Health	666	Environmental & Occupational Toxicology
Public Health	671	Risk Assessment and Management
Public Health	565	Environmental Health Practices
Public Health	590N	Indoor Environmental Health
Public Health	690F	Social Justice
Regional Planning	577	Urban Policies
Regional Planning	591B	Sustainable Cities
Regional Planning	591C	Planning for Climate Change
Regional Planning	591G	Housing and Public Health
Resource Economics	720	Environmental & Resource Economics
Resource Economics	262	Environmental Economics
Resource Economics	263	Natural Resource Economics
Resource Economics	471	Ben-Cost Analysis Res Project
Resource Economics	472	Adv. Topics in Resource & Env. Economics
Stockbridge School	290U	Urban Agriculture Online
Stockbridge School	397P	Food Justice and Policy
Stockbridge School	297W	Herbal Approaches to Women's Health
Stockbridge School	297S	Shamanism and the Modern World

Updated: 12/11
