

DECLARING HISTORY AS YOUR MAJOR:

1. Come to 611 Herter during the Undergraduate Program Director's office hours. (Hours are posted on the door) Plan for a 15-20 minute session. During this session, the advisor will review the history major requirements, talk to you about your plans, look over what courses you have completed, and sign a change-of-major form (we have a supply of these forms here in the office).
2. Bring your signed change-of-major form to your last department where they will sign you out of their major. Pick up your academic file from them.
3. Turn in the white part of the change-of-major form to the Undergraduate Registrar's Office, 2nd floor, Whitmore.
4. Return the pink part of the change-of-major form, along with your academic file to the History Undergraduate Office (611-613 Herter Hall).

Congratulations! You've declared History as your new major.
