Subject: FY02 Retroactive Salary Increase Payments to Retirees and Otherwise Terminated Employees

---

Retroactive salary increase payments to eligible retired and otherwise terminated staff, faculty and graduate student employees for the time period of July 1, 2001 to July 6, 2002, as authorized by the Legislature, were completed on March 9, 2007. The checks for these payments have been mailed by Human Resources. These retroactive salary increase payments were the final payments from the FY02 - FY04 collective bargaining agreements that the Legislature has been approving and funding on a retroactive basis. Retired and otherwise terminated staff, faculty and graduate student employees must have been in an active payroll status prior to the effective date of the salary increase, and have worked during the time period of July 1, 2001 through July 6, 2002, to have been eligible to receive a payment.

The payroll expense of the retroactive salary increase payments are reflected in your current expense and payroll reports. Please contact the Budget Office (545-2141) if you have any questions regarding the posting of the expenses for these payments.
