After that date, any student appointments that are effective during the summer should be typed on a Student Personnel Action Form (SPAF) and forwarded to Student Payroll, Division of Human Resources, 325 Whitmore Administration Building. All current summer appointments will end on Saturday, September 2, 2017.

PROCESSING PROCEDURES

For the majority of students, you can use the Rapid Student Hire process to create academic student appointments, selecting either ANWS (Academic Student Hourly) or AWS3 (Academic Student Work Study) as the “Hire Template”.

The Rapid Student Hire process cannot be used to create appointments under the following circumstances and you must complete a hardcopy Student Personnel Action Form (SPAF):

- The hourly rate is more than $15.00 per hour. A brief description of the job duties is required. All appointments with an hourly rate more than $15.00 must be forwarded to the Student Employment Office, 255 Whitmore Administration Building. The Student Employment Office will review the job description and if approved forward the PAF to Human Resources for processing.

- The individual being hired is a graduate student being paid on an hourly basis. (Contact the Graduate Assistantship Office for the appropriate form.) All graduate hourly appointments must be forwarded to the Graduate Assistantship Office, 517 Goodell Building. The Graduate Assistantship Office will approve the appointment form and forward to Human Resources for processing.

- Student Academic Contract Appointments must be approved by Human Resources prior to initiating a PAF.

- Student is on an F-1 or J-1 visa. The student should complete his/her paperwork in room 325 Whitmore Administration Building, Employee Service Center to ensure proper employee work authorization, verify documentation and determine employee tax status prior to the start of employment. The department will need to complete the Student PAF and all forms should be submitted together for processing.

A student on an F1 visa has INS document I-20. An I-20 indicates the period allowed for attendance and study at the University of Massachusetts Amherst. A student’s employment must fall within these dates. **F-1 students may work up to 20 hours per week during the academic year and 40 hours per week during Intersession and Spring Break.**
A student on a J-1 visa has INS document DS2019. The DS2019 document functions in the same manner as an I-20. It indicates the period allowed for attendance and study at the University. Similarly, a student’s employment must fall within the dates indicated on the DS2019. J-1 Students may work up to 20 hours per week during the academic year and up to 40 hours during Intersession and Spring Break.

GLACIER Nonresident Alien Tax Compliance System
GLACIER is the University’s new secure online tax compliance system designed to allow Nonresident Aliens (NRA) to provide UMass Amherst with their immigrant and tax data efficiently and effectively. GLACIER helps determine tax residency, withholding rates, and income tax treaty eligibility. GLACIER also manages NRA’s paperwork, maintains NRA’s data and prepares tax forms and required statements.

International Student Employees who are NRA’s will receive an e-mail from support@online-tax.net asking to login to the website to complete the necessary forms via the internet. This will assist UMass Amherst in determining how we will tax you for payroll, scholarships and fellowships.

Questions on Glacier processing can be directed to Kathie McInerney at 5-0391, kmcinerney@admin.umass.edu or Linda Berry at 5-0287, ljb@umass.edu.

A SPAF should be sent to Human Resources, Room 325, Whitmore Administration Building at least two (2) weeks prior to the date the student is scheduled to start working. Contact the Personnel Officer in your department, Dean’s Office or executive area concerning approvals and procedures. All paperwork must be in the Human Resources Office, Room 325, Whitmore Administration Building on a Pay Friday in order to ensure timely payment for the following pay cycle.

When completing a Student Personnel Action Form, please fill in all required information on the PAF to ensure correct processing and record number identification.
