9. Copies of F-1 principal's passport photo identification page and F-1 visa stamp
10. Proof of updated financial support that corresponds with the financial details on your new DS-2019 form.
11. Copy of UMass acceptance or invitation letter.
12. *Recommended:* A brief written statement explaining in detail the reason for your change of status request; and why you did not apply for a J-1 visa in your own country.

For the latest information on where to file your application, please see the USCIS website for further instructions: www.uscis.gov/i-539.

Remember:

1. This procedure only changes your immigration status **inside the US**. A change of status does not provide you with a new visa stamp in your passport. Once approved you will still need a valid J-1 visa stamp for any future travel and re-entry to the US. US visas may only be obtained at a US consulate abroad.
2. You **may not** depart the US while your change of status application is pending. If you do, your application will be considered abandoned and canceled and no refund will be given.
