

# JUNIPER SUMMER WRITING INSTITUTE

## Scholarship Application

The Institute offers several work-study scholarships of 50% tuition remission. Applicants for these scholarships should be able and willing to carry out daily administrative and logistical tasks in support of Institute activities.

The Institute also offers several scholarship grants of 25% tuition remission. No extra duties are attached to these scholarships.

To be considered for a scholarship, please complete this form and return it along with your personal statement (see below) and general application materials. Scholarships are awarded on the basis of merit and need. We especially encourage applicants of diverse life experiences, and those who've had to overcome socioeconomic disadvantage or discrimination.
