

**Doctoral Student Research Grant Application**  
**Department of Linguistics**

**Spring 2011**

Use this application to request funds from the department to support your research. Eligibility is limited to doctoral students in the Department of Linguistics. (For collaborative projects, at least one of the researchers must meet this criterion.)

Appropriate uses of this money include (but are not limited to) fees paid to native-speaker consultants or experimental subjects, partial support for linguistic field work, travel to consult archival materials, or purchase of equipment (other than personal computers). Do not request stipend or salary for yourself. Do not use this form to apply for travel to conferences (instead see [http://www.umass.edu/linguist/graduate\\_program/studenttravel.shtml](http://www.umass.edu/linguist/graduate_program/studenttravel.shtml)).

The usual limit is \$1000, but proposals for linguistic field work that include travel, subsistence, and consultants' fees will be considered for up to \$2500.
