Welcome to living at UMASS AMHERST!
The information in this publication provides transfer students with the necessary steps to make arrangements for securing on campus housing. You will find information about the processes for submitting your housing and roommate preferences, and your options to choose a SophoMORE Experience, Defined Residential Community, Honors Community or Transfer Community.

If you need more information after reviewing this publication, please consult the Residential Life website, www.umass.edu/living

We want to answer your questions! Visit the Residential Life website www.umass.edu/living or contact us by phone at 413-545-2100, email us at living@umass.edu or connect with us on social media.

Your residential experience

Living on campus, you’ll have the opportunity to participate in educational and co-curricular programs that enhance your college experience and help you build a tight supportive community of your peers. Being a university student comes with exciting opportunities and challenges: a new home, new ways to learn and study, new friends, and new expectations. We want to help you have a fun and successful university career as you dive into life at UMass Amherst.

By living at UMass Amherst, you will find easy ways to get involved with campus activities, get to know faculty, and find leadership opportunities. You live in a community in which collaboration leads to academic success.

You have access to resources, informed professionals, and supportive student staff who can answer questions, help you navigate campus and much more. Residence halls also provide social and cultural events that help connect you to other students, the campus and the surrounding community.

Engagement

You are encouraged to actively engage in the campus community experience. Students may be involved on their floor, in their hall – or in an organization outside of their residence hall, including one of the hundreds of Registered Student Organizations, intramural teams, community service opportunities or student government associations. Through engagement, students learn leadership skills, develop friendships and expand their intellectual experience.

Want more information?

View Registered Student Organizations at: https://umassamherst.collegiatelink.net/Organizations

For more information on residential leadership opportunities go to: www.umass.edu/living/gi

Interested in past and future community service projects? Go here: www.umass.edu/studentlife/get-involved/sai/leadership

See information on UMass intramural sports teams at: www.umass.edu/campusrec/intramurals/
Support and Transition

As part of your transition to life at UMass Amherst, you will be part of a living and learning community defined by a wide diversity of peers. All new students, regardless of background or need will find a number of resources for their individual interests.

Your Residential Life staff will share information about living in the halls and help you make connections in your new community. You’ll meet your Resident Assistant, your neighbors, and get comfortable in your new home.

The Online Roommate Agreement helps roommates negotiate living and learning together. Our publication, The Roommate Experience: Living and Learning Together, also provides you with helpful information as you begin the experience of living with your roommate(s).

Your Resident Assistants and Residence Directors are available to provide advice and support as you transition into UMass Amherst. They can also connect you directly to a wide range of campus resources, including:

- Center for Multicultural Advancement and Student Success (CMASS)
- Center for Counseling and Psychological Health (CCPH)
- Center for Women and Community (CWC)
- Disability Services
- Josephine White Eagle Cultural Center
- Latin American Cultural Center
- Malcolm X Cultural Center
- Yuri Kochiyama Cultural Center
- Men and Masculinity Center (MCC)
- Office of Religious and Spiritual Life
- Stonewall Center: A Bisexual, Gay, Lesbian, Queer and Transgender Resource Center
- Student Veteran Resource Center

“I found a welcoming community at UMass that fosters healthy relationships with anybody, regardless of gender. The friends I’ve made at the MMC have had such a positive impact on my self-confidence, and taught me the value in just being myself.”

– Andrew Furman, 2016

“The staff and environment at CMASS have really helped me think critically about what I want from this school, and encouraged me to take all that I can from my experience.”

– Zulay Holland, 2018
What’s Up with UMatter at UMass?

Of all your educational and career options, you chose UMass Amherst. And we chose you too, for the many qualities only you could bring to our diverse campus community. We all belong here, connected to one another in ways we know now, and ways we have yet to discover.

There’s another choice we make every day – the choice to care. That’s what UMatter at UMass is about. By actively caring for each other and our community through successes, challenges and changes, we all become stronger.

Active caring means that we:

• **Listen Up**, cultivating an awareness of what’s going on inside and around us. Pay attention to ourselves and each other.

• **Show Up**, making the most of our time here. Get involved, make connections and stretch beyond our perceived limitations. Live proudly, safely, courageously.

• **Stand Up**, stepping forward and taking action on behalf of ourselves, friends, colleagues and the community. Ask for help when it’s needed. Reach out to others. Persevere in the face of injustice.

• **Follow Up**, learning about the many resources available. Share what you know. Guide someone in need. Tell people who can help.

Getting the Resources You Need

The transition from high school to college comes with new challenges, both in the classroom and in the residential environment. We strongly encourage students who were previously on an IEP or a 504 plan to register with UMass Amherst Disability Services and work with other campus resources, such as the Center for Counseling and Psychological Health, to put support services in place before submitting their housing Preference Application.

**Physical and Mental Health Concerns**

The University provides a variety of services for students who have documented and emerging physical and mental health needs. Students and families can engage with Disability Services, University Health Services and the Center for Counseling and Psychological Health for assistance and services. The Dean of Students Office is also a great place to check in; visit [www.umass.edu/dean_students](http://www.umass.edu/dean_students).

Disability Services assists students with documented disabilities and students considering attending UMass are invited to contact and visit the office. Upon being admitted to the University, students are encouraged to contact the office without delay to arrange for services. For more information and to register, go to [www.umass.edu/disability](http://www.umass.edu/disability).

University Health Services (UHS) provides comprehensive health and wellness services for the UMass Amherst campus community, with a special focus on the needs and concerns of college students. Visit [www.umass.edu/uhs](http://www.umass.edu/uhs) for more information.

The Center for Counseling and Psychological Health (CCPH) is an interdisciplinary counseling service, staffed by licensed mental health providers, including social workers, psychologists, psychiatrists and clinical nurse specialists. For details visit [www.umass.edu/counseling](http://www.umass.edu/counseling).
Welcome to McNamara Hall!

McNamara Hall is a suite style building located in the Sylvan Residential Area. All of the bed spaces in McNamara Hall are dedicated to new incoming transfer students. Currently McNamara houses the MassTransfer Residential Transfer Program (RTP), the Engineering Residential Transfer Program and the Honors Transfer Community.

What are Sylvan Suites?
Suites have a combination of standard single rooms and shared rooms. They include a common room set up like a living room with couches and tables that can be used for studying or socializing, and a bathroom that you only share with your suitemates which is cleaned regularly by staff.

Amenities in McNamara include:
• A community kitchen that includes a stove top, oven, microwave and refrigerator
• A community TV lounge
• A pool table
• A recreational room with a foosball table, a ping pong table and a 32” flat screen TV
• Academic Success Space that includes private study carrels and group meeting spaces
• The Sylvan Snack Bar: A student run business that provides all the convenience of a café in your building! They serve everything from coffee and breakfast sandwiches to subs and root beer floats.

Amenities in Sylvan include:
• A campus shuttle bus stop
• Two adjacent student parking lots (Lot 44)
• Outdoor seating/gathering space
• Volleyball court
• Beautiful views of adjacent nature areas

“I really like the living arrangement. The suite style makes it more accommodating. It’s such a diverse community I get to meet a lot of people that I never thought I would including international students. Being a recent transfer student, I was worried about making friends… but living here in McNamara I found other transfer students like me and felt more at home.”
Diana Ngo - Resident and transfer student

“I like the fact that it’s a diverse community and everyone seems to get along very well. Especially being a transfer myself… it’s a great community to transfer into here at UMass Amherst.”
Danny Nazarro - Resident, transfer student and House Council President
UMass Community College Residential Transfer Programs

These unique on-campus living and learning communities were developed especially for Massachusetts community college MassTransfer graduates by Academic Affairs, Residential Life, and Transfer Admissions. Students will have the opportunity to connect with other new community college graduates and participate in workshops and seminars designed to meet their interests and needs. These programs will be located within the Transfer Community in McNamara Hall.

MassTransfer Residential Transfer Program (RTP)
MassTransfer graduates are encouraged to participate in this experience, given the opportunities it offers them to connect with other students with similar backgrounds and educational experiences and to participate in ongoing programs and workshops designed to connect them to the campus community, with its many social, extracurricular, and academic resources. MassTransfer graduates are given preference for this program over other entering transfer students, who may join the RTP on a space-available basis.

Engineering Residential Transfer Program (RTP)
MassTransfer engineering graduates are encouraged to participate in this experience, given the opportunities it offers to connect with other students who are pursuing engineering majors at UMass Amherst. Since students will be enrolled in the same or similar coursework, they will be able to develop informal study groups to support their academic work. The College of Engineering provides major-specific programming and opportunities to connect to the campus community and other academic resources. MassTransfer engineering graduates are given preference for this program over other entering transfer students with engineering or related majors, who may join the RTP on a space-available basis.

How to Apply
For more information on how to apply, please review the housing application process on page 15.

“I really like meeting new transfer students and the fact that we have a lot in common. Sometimes you even get to meet people that went to the same school as you before! I love being a part of this place! I joined house council this year and we’re having a lot of fun! I like the fact that people already know what they want to major in and that you can always ask others for help.”

Espy Behanzin - Resident, transfer student and House Council Programming Board Member
Living-Learning Communities (LLCs)

Honors LLCs
Honors Living-Learning Communities are offered for Commonwealth Honors College students seeking a residential experience that complements their academic objectives. In Honors Living Learning Communities, honors students live among similarly motivated peers in an environment that fosters positive connections and promotes academic achievement. Faculty involvement and academic programming are the cornerstones of these communities.

McNamara Hall houses a transfer community where honors transfer students live together and experience programming and faculty engagement opportunities designed to support them in their transition to UMass Amherst and the Commonwealth Honors College.

CHC students are also invited to live in the Commonwealth Honors College Residential Community on a space-available basis.

SophoMORE LLCs
Sophomore students may request to live in one of four exciting Living-Learning Community options centered on specialized academic focus areas. These Living-Learning Communities are not restricted by major and are open to any sophomore who is interested in one of the community focus areas.

SophoMORE: Innovations & Entrepreneurship
MacKimmie Hall
This Living-Learning community is designed for sophomore students who are passionate about business, science, engineering, and related fields of study. This community provides opportunities to interact directly with faculty and staff members from Isenberg School of Management. Students will also have access to workshops, faculty programming, in-hall advising, and one-on-one interactions with innovators and those who have experience with entrepreneurship.

SophoMORE: Technical Solutions
Hamlin Hall
Technical Solutions is a Living-Learning Community for students who are committed to innovative technical problem-solving. Students will have opportunities to attend company information sessions, resume workshops, career fairs and other events that facilitate mentoring, retention, and incremental career planning.

SophoMORE: Creative Expressions
Butterfield Hall
Creative Expressions is a Living-Learning Community for students who are passionate about the arts and humanities. This community gives you the opportunity to enhance your undergraduate experience by connecting with key resources, including the College of Humanities and Fine Arts Advising Center staff and the HFA Student Leadership Board.

Questions about SophoMORE?
If you have additional questions about these SophoMORE programs, please contact the Residential Learning Communities Office via email at rlc@sacl.umass.edu.

How to Apply for Living-Learning Communities
For more information on how to apply, please see page 15.
Defined Residential Communities

In these communities students live with others who share their interests, ethnicity, or identity. These programs create a supportive living and learning environment that encourages personal growth and academic achievement.

For more information call 413-545-2100 or visit www.umass.edu/living/learning/drc

Asian/Asian American Student Program
(Northeast): The focus of this community is to give Asian/Asian American students and those with a passion for learning the culture an environment that emphasizes the value of understanding the links between Asian and Asian American issues in an era of global migration, media, and capital.

Harambee: African Heritage Student Program
(Southwest): Harambee is a community that honors African and African American history and culture. This community is designed to support students who are of African descent and/or wish to learn more about African culture and celebrate different African Diaspora cultures.

Kanonhsesne: Native American Student Program
(Central): Kanonhsesne is a living-learning environment that provides opportunities to co-support pursuit of academic excellence, engage in developing a working knowledge of historical and contemporary Indigenous issues and develops social supports and a sense of community for Native American Students and their allies.

Nuance: Multicultural Student Program
(Southwest): The Nuance Multicultural Student Community emphasizes a socially just living and learning community based on mutual respect amongst people of differing race, ethnicity, gender, sex, age, class, sexual orientation, religious preference, ability/disability, language and/or international status.

Spectrum: LGBTQIA+ Community
(Central): Spectrum is a comfortable and inclusive residential community that supports the rights and needs of gay, lesbian, bisexual, transgender, queer and asexual students and their allies. Students in Spectrum can request a gender-inclusive room.

Wellness Community
(Orchard Hill): Students join this community for a variety of health, spiritual, and other personal reasons. All members of the Wellness Community agree to live an alcohol and drug-free lifestyle in an environment that is supportive of individual needs and differences.

Thatcher Language Program
(Northeast): The Thatcher Language Program is an ideal choice for upper-division students seeking fluency in another language. As these languages are spoken in the residence hall, you must demonstrate proficiency in the language you wish to study (Chinese, French, German, Italian, Japanese, or Spanish) to be admitted into the program. Students in the program must also enroll in a two-credit conversation course conducted in Thatcher. For more details, contact the Thatcher Language Program Coordinator at 413-545-1659 or email thatcher-language@acad.umass.edu
Special Housing Options

24-Hour Quiet Floors
(Central and Southwest)
Study with fewer distractions on a quiet floor. All noise is maintained at a level agreed upon by community members.

Single-Sex Housing
There are single-sex options in Multi-Year halls in Central, Commonwealth Honors College Residential Community, North, Sylvan, and Southwest

Housing for Students with Disabilities
Students who wish to participate or live in a Defined Residential Community or Special Housing Option, but require accommodations due to mobility or other disabilities should contact Disability Services at 413-545-0892 for assistance and additional information. Students must register with Disability Services to qualify for services.

Disability Services and Residential Life work with registered students to accommodate their needs. The University has a practice of relocating programs and activities when necessary to make the programs and activities accessible to persons with disabilities.

Single Rooms
Some new students prefer to have a private room and designed singles are available throughout campus. You may request this housing option on the Housing Preference Application. Please note the additional cost for residing in a single room each semester on page 13.

Alcohol-Free Residence Hall
(Brooks Hall, Central)
Students may opt to live in an alcohol-free environment, in which students and their guests, regardless of age, may not possess or consume alcoholic beverages.

Gender Inclusive Housing
(North, Sylvan and Central)
In gender-inclusive housing (GIH), students can have roommates/suite mates/apartment mates of any gender. Open to all students, it is especially designed as a supportive space for trans students. If you are interested in the gender-inclusive housing option, email the Student Services Office: HousingAccom@sacl.umass.edu for more information.

Contract and Residency Requirements

Do I have to sign a contract?

All students must sign the Residence Hall Contract before applying for housing and living in a residence hall. This is a yearly contract, a legally binding enforceable agreement, which will remain in force for the duration of residency and includes financial responsibility for the entire contract period. You can read and sign the contract online on SPIRE.

Do I have to live on campus?

First-year students who are enrolled as full-time (12 credits) UMass Amherst undergraduates are required to live on campus and are automatically billed for room and board.

You do not have to live on campus if you are:

• a sophomore, junior, senior or graduate student
• a married, divorced, or separated student who has notified Student Services of your status
• a veteran of the U.S. Armed Forces who has submitted a DD214 at Student Services
• a commuter living with your parent(s) or court-appointed guardian(s) within a 40-mile radius of the UMass Amherst campus. Commuters must file a Commuter Card with Student Services.

Students who do not fall under the above categories may request an exception to the housing requirement through the Exemption Committee Process. Please contact Student Services for information on this process. All students must complete the appropriate documentation to be excused from the housing requirement and are subject to any applicable cancellation fee if they apply for an exemption after signing the residence hall contract and applying for housing.

Important! Once a student is exempt from the residency requirement, they are no longer eligible to participate in on-campus housing application processes. Students who become exempt can request assignments during selection periods established for off-campus students seeking available housing. These selection periods are usually in August or January.

What are the financial obligations?

Once students sign the residence hall contract and submit an application, they have agreed to pay all fees associated with their residence hall assignment. In addition, students who receive an on-campus assignment and subsequently withdraw are bound to the cancellation fee schedule (see following page).

New students should not submit a housing application until they are certain they will attend and live on campus.

Meal Plan Requirements

All undergraduate students living in non-apartment-style residence halls are required to purchase a meal plan. First- and second-year residential students must purchase one of the Residential Meal plans (DC Basic, Unlimited, or Unlimited +) and third- and fourth- year residential students have the additional choice of the YCMP Gold or YCMP Platinum).

Those students assigned to apartments in CHCRC or North can choose any meal plan, but are not required to purchase a meal plan.

For more information on the dining plans and rates go to: www.umassdining.com
Financial Obligations

Room Rates
Below are the 2016-2017 room rates per semester.

The $126 Residential Technology Fee is included in the total per semester housing fee

Shared Room (Double, Triple, Quad) $3,329.50
Single Room $4,386.00
Break Housing Shared Room $3,579.00
Break Housing Single Room $4,636.00
North Apartments Single Room $5,997.50
Cashin Break Housing Shared Room $3,288.50
Cashin Break Housing Single Room $4,248.50

CHCRC Multi-Year Rooms
Apartment Shared Room $4,578.50
Apartment Single Room $6,047.50
Suite Shared Room $3,980.00
Suite Single Room $5,252.00

Rent Refund Schedule
Students who cancel their housing assignment or withdraw from the university and check out during the first five weeks of the semester are eligible for a rent refund. The refund is issued based on the date the student checks out of their room through the Residential Service Desk.

Students who cancel or withdraw and check out during the first five weeks are also subject to the cancellation fee schedule, which is also prorated to the corresponding week the cancellation is made. For more information on the rent refund schedule go to:
www.umass.edu/living

Housing Contract Cancellation Fee Schedule

Spring 2017
Free Housing Cancellation Period
Ends 5:00pm, Thursday January 12, 2017

$225 Housing Cancellation Period
Begins 5:00pm, Thursday January 12, 2017
Ends upon check-in to spring assignment

$500 Housing Cancellation Period
Begins upon check-in to spring assignment
Ends after the fifth week of the spring 2017 semester
Roommate Assignments

Your Roommate Selection

Residential Life offers several options to help you with the roommate assignment process. To start, all new students are required to complete a five-question housing profile when they submit their assignment preferences. This allows housing to use basic information such as the time you like to sleep, the music volume while you study, and other preferences in order to assign roommates. From there, you can determine your next step based on whether or not you have a pre-determined roommate choice. Once you complete the housing preference application, your assignment request will be processed based on your preferences and space availability.

What if I already have a roommate request in mind?

New students may make specific roommate requests and we do our best to assign students together as long as the request is mutual and there is space available for the assignment. All students, even those with a roommate request, will need to complete the five-question Housing Profile.

Is my roommate request guaranteed?

We cannot guarantee roommate requests. However, the majority of students who request to be roommates are assigned to the same room. If you and your roommate(s) apply on time but we cannot place you together, we will try to assign you to the same residence hall.

“I had a really great roommate experience! It was definitely awkward at first because we were so different, but she was really nice. We had similar friend groups and after living together ended up becoming best friends.”

- Becky, Junior
Understanding Your Housing Options

Choose a Residential Program or Preference Residential Areas and Halls

All transfer students who are planning to live on campus must submit a Housing Preference Application on SPIRE.

If you are interested in AND eligible for a Residential Program, follow the steps below for your specific program:

1. McNamara Transfer Community
   a. Follow the steps for submitting the housing preference application below.
   b. List McNamara hall as your first preference on your preference application.

2. MassTransfer Residential Transfer Program and Engineering Residential Transfer Program
   a. Follow the steps for submitting the housing preference application below.
   b. List McNamara Hall as your first preference on your preference application and list the program you wish to be placed in as a living option (MassTransfer RTP or Engineering RTP).

3. Honors and SophoMORE LLCs
   a. Follow the steps for submitting the housing preference application below.
   b. List the specific hall and living option for the program you want to participate in as your first preference on your preference application.

If you are not interested in one of the above Residential programs, preference your residential areas and halls:

1. When you access SPIRE and the Housing Preference Application you will be able to rank, in your preference order, residential areas and halls. In addition, you can preference any Defined Residential Communities or Special Housing Options we offer.

2. You are required to preference at least four residential areas on your application. If you are interested in a single room, you will have the opportunity to indicate this preference on the application. Please note there is an additional cost for residing in a single room each semester on page 13.

3. If you preference a roommate you must:
   a. List your residence hall/area preferences in the same order and,
   b. List each other as roommates on your individual applications.

Note: Placement will be determined by the availability of space.

To be an on-time applicant for the spring, submit your housing preferences by January 9, 2017 at 11:59pm.
Applying for Housing on SPIRE

Submitting Your Application

At UMASS Amherst, students and staff use the SPIRE portal to conduct business with the university. Below is a graphic of the housing menu.

Once you have paid your enrollment fee, you can request an on-campus assignment by completing the following steps:

1. Use the Main Menu on SPIRE to navigate to Housing.

2. Agree to the terms of the Residence Hall Contract by selecting Residence Hall Contract.

3. Complete the Housing Profile.

4. Complete the Preference Application. (See specific instructions on previous page)

Assignments will be released on SPIRE under Assignment Notification on January 13, 2017 for Spring 2017.

Cancelling your application

If you decide not to live on campus, contact Residential Life Student Services at 413-545-2100 to cancel your housing application/assignment immediately. Depending on when you cancel, you may be subject to a cancellation fee based on the schedules on page 13.

What if I am late?

We will not be able to consider your housing requests until all on-time applications have been processed. If you are a late applicant, call Residential Life Student Services immediately at (413) 545-2100 so that we can confirm your assignment status.
Stop by Whitmore 235 when attending summer New Students Orientation!

Student Services staff are available to assist you with submitting your Housing Preference Application and to answer any questions you have.

@LivingatUMass

LIVING at UMASS

Download the Living at UMass app from the App Store or Google Play to get more information on what it's like to live at UMass Amherst.

Watch videos of students sharing advice, engage with us on social media, and stay updated on what’s happening with campus calendars and notifications.
Residence Hall Contract

University of Massachusetts Amherst
Division of Residential Life
Residence Hall Contract (Trustee Document T79-034)(as revised).

I. Signing the Contract
All students must sign the Residence Hall Contract before applying for housing and living in a residence hall. This is a legally binding enforceable agreement, which will remain in force for the duration of residency and includes financial responsibility for the entire contract period. Any substantive changes will be communicated by Residential Life to all residents prior to room selection. All students are responsible for complying with the rules, policies, regulations, and procedures contained in this document, official University publications, and the Residential Life website (www.housing.umass.edu). The student’s signature on the Residence Hall Contract on SPIRE or completion of the Key Agreement binds the student to this Residence Hall Contract.
In addition, students who are under the age of 18 as of move-in day are required to complete a Parent/Guardian Consent Form which the student is required to request from Residential Life Student Services. Questions regarding the Residence Hall Contract should be referred to Residential Life Student Services, 235 Whitmore Administration Building at 545-2100. Students who reside in the residence halls may be administratively withdrawn from the University if the resident refuses to sign the Residence Hall Contract.

II. Parties
The parties to this contract are the University of Massachusetts Amherst and the undersigned student. This contract will be entered into when the student signs the legally binding Residence Hall Contract T79-034.

III. Eligibility for On-Campus Housing
All currently enrolled students who are 16 years of age as of move-in day are eligible to live in a Residence Hall Assignment. For students under the age of 18 as of move-in day, a parent or guardian will be required to complete a Consent Form, which the student is required to request from Residential Life Student Services prior to arriving on campus.

IV. Termination of Contract
This contract may be terminated by the University for violation(s) of the applicable provisions of the Code of Student Conduct, Residence Hall Community Standards, and/or other rules and regulations enacted within that authority. Students are responsible for the cancellation fee when a contract is terminated in such cases. Either the Chancellor or the Vice Chancellor for Student Affairs or their designee may impose interim restriction(s), including housing removal, relocation or restriction from some residence halls, in accordance with the Code of Student Conduct. No refund of housing fees will be given to individuals removed from the residence halls for reasons of student conduct.

The student, and/or the University may terminate this contract if one or more of the following criteria are met:

A. Withdrawal from the University;
B. Participation in an approved academic program which requires off-campus residency;
C. Documented, serious, medical problem which cannot be reasonably accommodated within the residence hall system;
D. Marriage after entering into the contract;
E. Commuting from the home of parents or legal guardians within forty miles of campus;
F. Approval of an exemption to the mandatory housing policy after entering into the contract;
G. If, between semesters, the Academic Level of the student is such that he/she is not required to live in the residence halls (sophomore, junior and senior status);
H. Documented severe financial hardship which cannot be alleviated by the Financial Aid Office, 255 Whitmore Administration Building (545-0801).

• Residents who terminate their contracts after the posted deadlines will be subject to a Housing Cancellation Fee. Deadlines are posted on the Residential Life website at www.housing.umass.edu.
• In non-disciplinary cases, a refund schedule is available from the Bursar’s Office or Residential Life Student Services.

V. Assignment of Space
The University’s residence hall spaces will be assigned subject to availability, and the reasonable ability of the University to match the student’s request with available space. The University will endeavor to meet demand for on-campus housing, but guarantees housing assignments only for freshmen students who are 16 years of age as of move-in. Assigned space is not transferable by the student. In accordance with University policy, Residence Hall space is reserved for freshmen and continuing residents, rising sophomores, juniors, and seniors, who select an assignment according to stated procedures and announced deadlines. Space will be assigned without regard to race, creed, or national origin, except in the case of assignment of space to designated “special housing options” corridors, floors, or halls.
Requests for assignment changes will be accommodated on a space available basis. Priority for room/building change requests will be determined by seniority based on the number of semesters the student has lived in University housing. (Additional information regarding room selection and room/building change priority is available on the Residential Life website.) Room selection and room change practices will be determined by the student’s semesters in campus housing and randomly assigned rank. Each student may be permitted to change space assignments if it is determined necessary by the student and Residential Life staff member.

Students going on a University-approved exchange program may, prior to leaving for their exchange program, apply for an assignment
Residence Hall Contract

according to the procedures established the Residential Life Student Services. The responsibility for completing these arrangements lies with the student.

The University reserves the right to remove or relocate a student and/or transfer an assigned space whenever it is deemed by the University to be in the best interest of the Residence Hall Community.

VI. Duration of Occupancy
This contract authorizes occupancy during the Academic Year, exclusive of Thanksgiving, intersession and spring break vacation periods, except as provided herein. Residents who are granted permission to reside in the residence halls during intersession, summer, and other vacation periods may make special arrangements through Residential Life Student Services. All provisions of this contract will then apply to intersession, summer, and vacation residents as appropriate. This contract will remain in effect until the official semester closing date(s) of the last semester of residency, which shall be widely announced at least six weeks prior to said closing, regardless of the date upon which it was entered into, subject to the terms, conditions, and covenants herein. During intersession and other designated vacation periods during the academic year, students may store personal property in the room to which they are assigned, unless the University indicates at least four weeks in advance a need to have the room emptied. However, the University is not responsible for loss of, theft of, or damage to students’ personal possessions left in student rooms at any time, including during said periods. Students are encouraged to arrange privately for insurance of their property.

VII. Housing Fees
The Housing Fee must be cleared in full by the date established by the Bursar’s Office, 215 Whitmore Administration Building prior to the beginning of each semester. For consideration of an assignment in University Residence Halls, the student agrees to pay the contract rates as they have been announced or as they may be adjusted. The fee schedule applicable to each resident is established by the Board of Trustees for the then current year of occupancy by the undersigned student. Once established, the fee schedule is available in Residential Life Student Services. Pro-rated refunds, less the housing cancellation fee, may be made upon the departure of the student from the residence halls in accordance with the Termination of Contract clause, following schedules established by the University (see Section IV).

VIII. Obligations of the University
The University shall also provide prompt maintenance service in the event of mechanical difficulties or interruptions to any utility service which is under control and/or ownership of the University; and promptly seek such service in the event such difficulties or interruptions arise in facilities or equipment serving the University but not under University control. There will be no adjustment of housing fees because of the University’s inability to restore service for a reasonable period of time, subject to appeal to the Residential Appeals Committee.

The University shall, within a reasonable time, exercise reasonable care to correct unsafe conditions in the residence halls and maintain the residence halls in good repair. The student may request correction of such conditions through the peer, professional, or Residential Service Desk staff, or Residential Life Facilities Operations staff. Determination of unsafe conditions may also be made upon request to the University’s Division of Environmental Health and Safety, N-414 Morrill Science Center (545-2682).

IX. Obligations of the Student
In addition to meeting the fee obligations, the student agrees to adhere to the provisions of the current editions of the Code of Student Conduct, the Alcohol and Drug Policy, the Residence Hall Security guidelines, and Residence Hall Community Standards. The student also agrees to comply with policies established to promote the quality of life within the residence hall. The student assumes any and all liability for damage, cleanliness, or other claims made as a result of the misuse by others of access cards, keys or premises assigned to him/her, in the event that such misuse is the result of negligence of the student.

X. Joint Obligations
The University and the student share the responsibility for ensuring the quality of life within the residence hall; its maintenance, furnishings and facilities; and for a physical environment secure from fire and other hazards.

XI. Shared Governance
Following shared governance protocols established by the University, Residential Life will consult with student representatives when considering revisions to and/or implementing significant policies impacting students living in campus residences.

XII. Security
The University will work with students to promote effective security of person and property in the residence halls. The University is not responsible for loss of, theft of, or damage to students’ personal possessions. Students are encouraged to arrange privately for insurance of their personal property.

XIII. Damage to University Property
The student is responsible for damage, other than normal wear and tear, to the room and common areas to which he/she is assigned and the furnishings therein. The student is also responsible for damage caused by her/his guest(s). Billing for such damage will be made within a damage billing procedure that includes provisions for determining the appropriate responsibility for damage to rooms, furnishings, and common areas. The student may initiate damage appeal proceedings at the Residential Service Desk. Appeals of decisions may be made to the Residential Appeals Committee.
Residence Hall Contract

XIV. Check-in, Check-out
The University and the student will, prior to the occupation of assigned space, complete and sign a room condition form noting the condition of the premises assigned to the student. A visual inspection of the assigned space and review of the room condition form by Residential Life staff at the completion of the student’s residency will determine billable damages. The University may require an interim inventory to be completed prior to the end of the student’s occupancy if the University has reason to believe that substantial damage to the premises or property has occurred.

A student withdrawing or withdrawn from the University must vacate her/his room within forty-eight hours of the date of withdrawal and complete a proper check-out at the Residential Service Desk, to include informing the staff of the check-out and returning the issued room key. Check-out times will be designated for students withdrawing during the intersession period. The student must leave the room “broom clean” and may be charged for cleaning costs incurred by the University to meet this standard. Unless left in a designated area for which storage has been authorized in advance and in accordance with established procedures as outlined in the Residence Hall Community Standards, any personal property remaining in the residence hall after the term of this contract has expired, shall be deemed abandoned, and may be disposed of by the University in any manner it deems appropriate.

XV. Fee Refunds
The student may apply for a refund as a result of substantial hardship in living conditions. Refund applications may be acquired from and submitted to the Residence Director. Should a student room become unfit for occupancy because of damage or other reasons, the student may choose to change room assignments within limits of space availability. No refund will be awarded in such cases unless significant hardship has been experienced by the student before the move. Students may appeal disputed housing fees or other financial charges by following the procedures outlined on the Residential Life website (www.housing.umass.edu).

XVI. Furnishings
The student will be assigned furnishings for his/her use during the period of occupancy. These furnishings may vary from building to building. Furnishings will minimally include a bed frame and mattress, desk unit and chair, wardrobe/closet, and waste basket. Furnishings will not be added or deleted without prior notification to residents. Assigned furnishings may not be removed from the room to which they were assigned without permission. Common area furniture and equipment may not be removed from common areas.

XVI. Entry of Student Rooms/Suites/Apartments and Inspection of Hall Rooms
The University may enter student rooms without notice if it has reason to believe a health or safety emergency exists. In the event of such an emergency the University will give prior notice whenever practicable under the circumstances. The University is responsible for the monitoring and maintenance of University property. Entry into rooms for scheduled routine maintenance will be made only after notice of the inspection and entry is posted 48 hours in advance. University staff and vendors may enter student rooms during reasonable hours without prior notice when responding to student-initiated maintenance requests. Residential Life staff shall not conduct blanket room sweeps. The University will not disturb a student’s personal property or otherwise search a room except with permission of the student, or by appropriate legal authorities with a search warrant. The University is guided by the “Plain View Doctrine” and may report evidence of unlawful acts in “Plain View.”

All student rooms are checked immediately after the halls close for vacation periods and throughout the summer for maintenance, safety, and security reasons. These inspections do not involve disturbing the student’s personal belongings. Prohibited items (pets, firearms, oversized and unauthorized appliances, etc.) may be removed at student expense by University personnel conducting the inspections. Students will be notified in writing if any item is removed. Plain View Doctrine: College officials are legally obligated to report evidence of unlawful acts in “Plain View.” This means that if unauthorized items such as marijuana plants, weapons, etc. are observed during a normal inspection (for maintenance reasons, or due to an emergency situation, or for health and safety reasons), the evidence can be seized and used as evidence in a conduct hearing.

The University of Massachusetts Amherst prohibits discrimination on the basis of race, color, religion, creed, sex, age, marital status, national origin, mental or physical disability, political belief or affiliation, veteran status, sexual orientation, gender identity and expression, genetic information and any other class of individuals protected from discrimination under state or federal law in any aspect of the access to, admission, or treatment of students in its programs or activities, or in employment or application for employment. Furthermore, University policy includes prohibitions of harassment of students and employees, i.e. racial harassment, sexual harassment, and retaliation for filing complaints of discrimination.

Information in this publication is an attempt to represent existing programs and facilities in the University of Massachusetts Amherst residence hall system. Representation in this publication does not, however, guarantee that such facilities and programs will automatically exist or be presented in any particular residence hall, as these are subject to change from semester to semester.
