Department: Residential Life – Residence Education

Residential Life is a national leader in creating a dynamic residential experience that is engaging, socially just, and promotes student learning. Residential Life offers a residential experience that supports students’ learning, personal growth, and academic achievement. We foster inclusive communities, create social and educational opportunities, and provide safe and well-maintained residences.

Title: Assistant Residence Director (ARD)/Live-in Residence Hall Graduate Assistant

The Apartment Living Graduate Assistant position is a 20-hour per week assistantship during the academic year. The ARD/AL is a live-in graduate student staff member in Lincoln Apartments. The ARD/AL is supervised by the Apartment Complex Coordinator. The ARD/AL participates in upholding the Code of Student Conduct and Residential Life Community Standards, crisis management, outreach with other Units in Residential Life and providing resources to residents.

Under direct supervision from the Apartment Complex Coordinator, the main focus of the ARD/AL is to help Lincoln residents achieve their academic goals by living in safe and socially just communities. The ARD/AL also handles more immediate concerns such as handling roommate conflicts and keeping living quarters clean and quiet for all to study and sleep with minimum supervision by staff.

All Graduate Assistants are expected to be available every Thursday morning for Staff Meetings, unless an excused academic exception has been made. All ARD/ALs work 40 hours per week during the training time period in August and January. ARD/ALs are hired for a period of one academic year, with renewal contingent upon satisfactory performance and evaluation. Because of the complexities and demands placed on the ARD/AL position, it is expected that ARD/ALs will view the position as a primary internship. Some break coverage is expected and will be compensated separately.
