

2009 University of Massachusetts Amherst

# Science & Engineering Summer Graduate Fair

**Friday, July 24**  
**1:00-4:00pm**

**Gunness  
Engineering  
Student Center,  
Marcus Hall**

**Pizza at 1:00pm!!**

Stop by Friday afternoon, speak with a representative from graduate science & engineering departments & programs and have your questions answered.

**Enter the Raffle too!**

## **UMass Exhibitors**

- Chemistry Department
- Physics Department
- Chemical Engineering Department
- Electrical & Computer Engineering Department
- Mechanical & Industrial Engineering Department
- Polymer Science & Engineering Department
- Microbiology Department
- UMass-NSF Nanotechnology Center (NSEC)
- UMass-NSF Materials Science & Engineering Center (MRSEC)
- NEAGEP - Northeast Alliance for Graduate Education & the Professoriate
- PREP - Post-Baccalaureate Research & Education Program
- IGERT Programs in Cellular Engineering and Nanotechnology
- CBI - Chemistry-Biology Interface Program
- ICE - Institute for Cellular Engineering
- MassCREST - Massachusetts Center for Renewable Energy Science & Technology
- MCB - Molecular & Cellular Biology Program
- NSB - Neuroscience and Behavior Program
- Others

## **Workshops (Student Center Classroom)**

- **1:30pm: “*Interdisciplinary Approaches to Research*”** Professor Gregory Tew, Polymer Science & Engineering Department.
- **2:30pm: “*Applying to Graduate School & Writing Your C.V.*”** Professor Jennifer Ross, Physics Department  
Michael Alderman, Director of Graduate Recruitment & Retention

Sponsored by the MassNanoTech Institute, the Northeast Alliance for Graduate Education and the Professoriate (NEAGEP), the UMass Graduate School, and the Office of Undergraduate Research & Scholarship (OURS)
