

The Master of Music degree in Composition is intended for musicians who desire to pursue graduate study in the field of composition in order to continue the development of their creative skills and prepare for a career as a professional composer either in the public sector or in college/university settings. The goals of the Master of Music degrees are to provide advanced training in a specific emphasis area, confer degrees to students who can communicate musical knowledge in oral and written form, and prepare students for employment in the field of music.
