

The Master of Music degree in Wind Conducting is intended for musicians who desire to pursue graduate study in the field of conducting in order to continue the development of their creative skills, and to improve their knowledge of wind instrument repertoire and their skills at analyzing and conducting music for winds. The goals of the Master of Music degree are to provide advanced training in a specific emphasis area, confer degrees to students who can communicate musical knowledge in oral and written form, and prepare students for employment in the field of music.

**Major Studies:**

MUS 697I: Advanced Instrumental Conducting	3 credits
