

**Study Questions for  
"Teaching English Across the Technology/Wealth Gap"  
and  
"Internet Access Opens Opportunity to the Disadvantage"**

**OAPA Pilot Study in Junior Year Writing  
April 2002**

The reading is available at: [http://www.umass.edu/oapa/top\\_assessr.html](http://www.umass.edu/oapa/top_assessr.html). Scroll to bottom of page and click on [Teaching English Across the Technology/Wealth Gap](#) and [Internet Access Opens Opportunity to the Disadvantage](#).

1. Summarize the main points in each article.
  
2. Which evidence do you find convincing in each argument? Why?
  
3. Where might each argument be flawed?
  
4. Given the evidence in these two articles, how would you respond to the question, "Is access to technology a problem for minority populations"? Why?
