**Definitions and Notes**

**Number Reporting:** Number of students for whom these data were available.

Note 1. All data reflect the current organizational structure.

Note 2. Includes students enrolled in at least one credit-bearing course at the end of the fourteenth calendar day of the semester.

Note 3. Mean and standard deviation not calculated when the number of cases is less than three.

Note 4. Some GRE Analytic scores are excluded from the mean and standard deviation calculations because they are based on the former scale, 200-800.

Beginning Fall 2004 the scores were recalibrated to a 1-6 scale.

Note 5. The GRE subject test is based on a 200-990 score scale.

\* Includes students enrolled in at least one credit-bearing course at the end of the fourteenth calendar day of the semester.

‡ Number of students for whom these data were available.

‡ Mean and standard deviation not calculated when the number of cases is less than three.
