\* Includes students enrolled in at least one credit-bearing course at the end of the fourteenth calendar day of the semester.

† The percent of applicants who were accepted (including either the preferred or alternate major at the undergraduate level).

‡ The percent of accepted students who enrolled (including either the preferred or alternate major at the undergraduate level).

†† Certificate of Advanced Graduate Study (School of Education only).

Note 1. Information is reported according to the School or College affiliation of the major to which the student applied (at the undergraduate level, the preferred major).

Note 2. Some academic units have restricted the number of entering students, and many applicants are offered an alternative major. In the majority of cases, the alternate acceptance and enrollment figures do not represent acceptance or enrollment into that school or college, but acceptance or enrollment as an "Undeclared" major.

Note 3. Effective Fall semester 2000 the pre-major in Communications was eliminated.

\*\* Includes Post-Graduate (second baccalaureate degree seekers) students at the undergraduate level.
