* Graduate Non-Degree students have no degree level. They appear in this table aggregated under Graduate Total.

† Does not include enrollment in the University Without Walls program administered by the Division of Continuing Education. Refer to Table 2, Division of Continuing Education.

‡ Does not include a significant portion of credits awarded for Prior Learning (data not available as of enrollment census date). In Fall 2000, 295 Prior Learning credits were awarded, yielding an additional 19.7 FTE Instructed Students.

Note 1. **Student Majors:** A student with a declared major within the department or program. At the undergraduate level, data reported represent a duplicated count of student majors (primary and secondary majors). FTE student majors are distributed proportionally across major programs. Therefore, numbers are not comparable to semesters prior to Spring 1996, which reported data for primary majors only. See Enrollment Definitions for additional detail.

Note 2. **Active:** Matriculating graduate students registered for courses or dissertation credits.

Note 3. **Program Fee (PF):** Matriculating graduate students assigned three credits while on Program Fee (no course).

Note 4. **Primary Majors:** The actual count of undergraduate students whose primary declared major is in the department or program.

Note 5. **Secondary Majors:** The actual count of undergraduate students whose secondary or tertiary declared major is in the department or program.

Note 6. **CE.** Non-state supported graduate program administered through the Division of Continuing Education.

Note 7. All data reflect the current organizational structure.

Note 8. Excludes undergraduate students on exchange at other institutions.
