‡ Designates programs within the two-year Stockbridge School of Agriculture.

**Definitions and Notes**

**Student Majors:** A student with a declared major within the school or college. At the undergraduate level, data reported represent a duplicated count of student majors (primary and secondary majors). FTE student majors are distributed proportionally across major programs. See Enrollment Definitions for additional details.

**Other:** Includes post-graduate and all non-degree students.

**Active:** Matriculating graduate students registered for courses or dissertation credits.

**Program Fee (PF):** Matriculating graduate students assigned three credits while on Program Fee (no course).

**Primary Majors:** The actual count of undergraduate students whose primary major is in this school/college.

**Secondary Majors:** The actual count of undergraduate students whose secondary or tertiary declared major is in this school/college.

**Continuing Education: Undergraduate and graduate** programs administered through the Division of Continuing Education. Effective Fall 2003, undergraduate and graduate enrollments are reported with school/college and department totals

Note 1. All data reflect the current organizational structure. See "Data Comparability" (page 2) for organizational changes effective Academic Year 2005-2006

Note 2. Effective Spring 2003 undergraduate class level is calculated on the number of credits earned rather than intended graduation date. See Enrollment Definitions for additional detail:

Note 3. Effective Fall 2003 pre-majors are reported in the school/college and department of major.

Note 4. Students on exchange at UMass from other institutions are now classified as non-degree. Prior to Spring 2003, these students were reported as matriculating students

Note 5. Excludes UMass undergraduate students on exchange at other institutions.
